

Chief Information Officer, invites comments on the proposed information collection requests as required by the Paperwork Reduction Act of 1995.

DATES: An emergency review has been requested in accordance with the Act (44 U.S.C. Chapter 3507 (j)), since public harm is reasonably likely to result if normal clearance procedures are followed. Approval by the Office of Management and Budget (OMB) has been requested by January 11, 2002. A regular clearance process is also beginning. Interested persons are invited to submit comments on or before April 8, 2002.

ADDRESSES: Written comments regarding the emergency review should be addressed to the Office of Information and Regulatory Affairs, Attention: Lauren Wittenberg, Desk Officer: Department of Education, Office of Management and Budget; 725 17th Street, NW., Room 10235, New Executive Office Building, Washington, DC 20503 or should be electronically mailed to the internet address *Lauren—Wittenberg@omb.eop.gov*.

SUPPLEMENTARY INFORMATION: Section 3506 of the Paperwork Reduction Act of 1995 (44 U.S.C. Chapter 35) requires that the Director of OMB provide interested Federal agencies and the public an early opportunity to comment on information collection requests. The Office of Management and Budget (OMB) may amend or waive the requirement for public consultation to the extent that public participation in the approval process would defeat the purpose of the information collection, violate State or Federal law, or substantially interfere with any agency's ability to perform its statutory obligations. The Leader, Information Management Group, Office of the Chief Information Officer, publishes this notice containing proposed information collection requests at the beginning of the Departmental review of the information collection. Each proposed information collection, grouped by office, contains the following: (1) Type of review requested, e.g., new, revision, extension, existing or reinstatement; (2) Title; (3) Summary of the collection; (4) Description of the need for, and proposed use of, the information; (5) Respondents and frequency of collection; and (6) Reporting and/or Recordkeeping burden. ED invites public comment.

The Department of Education is especially interested in public comment addressing the following issues: (1) Is this collection necessary to the proper functions of the Department; (2) will this information be processed and used

in a timely manner; (3) is the estimate of burden accurate; (4) how might the Department enhance the quality, utility, and clarity of the information to be collected; and (5) how might the Department minimize the burden of this collection on respondents, including through the use of information technology.

Dated: January 31, 2002.

Type of Review: Reinstatement.

Title: Application for New Grants—State Program Improvement Grants for Children with Disabilities.

Abstract: This information collection is necessary to make awards authorized by the Individuals with Disabilities Education Act, Part D, Subpart 1—State Program Improvement Grants. Eligible grantees are State Departments of Education in the 50 states, the District of Columbia, or Puerto Rico or an outlying area (Virgin Islands, Guam, American Samoa, and the Northern Mariana Islands). This program was newly authorized by the Individuals with Disabilities Education Act Amendments of 1997 (Pub. L. 105–17). The purpose of this program is to assist State educational agencies, and their partners in reforming and improving their systems for providing educational, early intervention, and transitional services, including their systems for professional development, technical assistance, and dissemination of knowledge about best practices, to improve results for children with disabilities. Appropriations for the first awards under this program become available for obligation on June 15, 2002.

Additional Information: The State Improvement program funds have significant potential in making a positive difference in the education of children with disabilities. Since the inception of this program in FY 1998, grant applications have been invited through a "Zippy Application Package" (ZAP), a mechanism developed by the Department to provide applicants, through a **Federal Register** notice, both the closing date notice and the application package.

Frequency: Annually.

Affected Public: State, Local, or Tribal Gov't, SEAs or LEAs.

Reporting and Recordkeeping Hour Burden:

Responses: 30. Burden Hours: 2,700.

Notice of Proposed Information Collection Requests

AGENCY: Department of Education.

SUMMARY: The Leader, Regulatory Information Management Group, Office of the Chief Information Officer, invites comments on the proposed information collection requests as required by the Paperwork Reduction Act of 1995.

DATES: Interested persons are invited to submit comments on or before April 8, 2002.

SUPPLEMENTARY INFORMATION: Section 3506 of the Paperwork Reduction Act of 1995 (44 U.S.C. chapter 35) requires that the Office of Management and Budget (OMB) provide interested Federal agencies and the public an early opportunity to comment on information collection requests. OMB may amend or waive the requirement for public consultation to the extent that public participation in the approval process would defeat the purpose of the information collection, violate State or Federal law, or substantially interfere with any agency's ability to perform its statutory obligations. The Leader, Regulatory Information Management Group, Office of the Chief Information Officer, publishes that notice containing proposed information collection requests prior to submission of these requests to OMB. Each proposed information collection, grouped by office, contains the following: (1) Type of review requested, e.g., new, revision, extension, existing or reinstatement; (2) Title; (3) Summary of the collection; (4) Description of the need for, and proposed use of, the information; (5) Respondents and frequency of collection; and (6) Reporting and/or Recordkeeping burden. OMB invites public comment.

The Department of Education is especially interested in public comment addressing the following issues: (1) Is this collection necessary to the proper functions of the Department; (2) will this information be processed and used in a timely manner; (3) is the estimate of burden accurate; (4) how might the Department enhance the quality, utility, and clarity of the information to be collected; and (5) how might the Department minimize the burden of this collection on the respondents, including through the use of information technology.

DEPARTMENT OF ENERGY

Office of Arms Control and Nonproliferation; Proposed Subsequent arrangement

AGENCY: Department of Energy.

ACTION: Subsequent arrangement.

SUMMARY: This notice has been issued under the authority of section 131 of the Atomic Energy Act of 1954, as amended (42 U.S.C. 2160). The Department is providing notice of a proposed "subsequent arrangement" under the Agreement for Cooperation Between the United States and Japan Concerning Peaceful Uses of Nuclear Energy and the Agreement for Cooperation in the Peaceful Uses of Nuclear Energy between the United States and the European Atomic Energy Community (EURATOM).

This subsequent arrangement concerns the retransfer of eight unirradiated mixed-oxide (MOX) fuel assemblies, containing 3,439,377 g of U.S.-origin uranium (9,879 g U-235) and 255,086 g plutonium, from the Kansai Electric Power Co., Inc. to the Euratom Supply Agency. The material, which is currently located at the Takahama Nuclear Power Station Unit 4, Japan, is being returned to British Nuclear Fuels PLC, United Kingdom, because it cannot be utilized as originally intended. Upon its return to British Nuclear Fuels, the material will be stored in an approved facility pending recovery of the plutonium contained in the unirradiated fuel assemblies. The recovered plutonium will be returned to Japan in the form of fresh MOX fuel assemblies.

In accordance with section 131 of the Atomic Energy Act of 1954, as amended, we have determined that this subsequent arrangement is not inimical to the common defense and security.

This subsequent arrangement will take effect no sooner than fifteen days after the date of publication of this notice, and after fifteen days of continuous session of the Congress, beginning the day after the date on which the reports required under section 131 of the Atomic Energy Act, as amended, are submitted to the Committee on Foreign Affairs of the House of Representatives and the Committee on Foreign Relations of the Senate. The two time periods referred to above may run concurrently.

Dated: February 4, 2002.

For the Department of Energy.

Trisha Dedik,

Director, Office of Nonproliferation Policy.

Environmental Management Advisory Board Meeting

AGENCY: Department of Energy.

ACTION: Notice of open meeting.

SUMMARY: This notice announces a meeting of the Alternative Technologies to Incineration Committee (ATIC) of the Environmental Management Advisory Board (EMAB). The EMAB is a Federal Advisory Committee Act (FACA) entity. **DATES:** Wednesday, February 20, 2002 and Thursday, February 21, 2002.

ADDRESSES: U.S. Department of Energy, Forrestal Building, 1000 Independence Avenue, SW., (Room 6E-069), Washington, DC 20585.

FOR FURTHER INFORMATION CONTACT:

James T. Melillo, Executive Director of the Environmental Management Advisory Board, (EM-10), 1000 Independence Avenue SW., (Room 5B-171), Washington, DC 20585. The telephone number is 202-586-4400. The Internet address is james.melillo@em.doe.gov.

SUPPLEMENTARY INFORMATION:

The Purpose of the Board: To provide the Assistant Secretary for Environmental Management (EM) with information and advice on corporate issues. It recommends options to resolve difficult issues faced in the Environmental Management Program including: Public and worker health and safety, integration and disposition of waste, regulatory agreements, roles and authorities, risk assessment and cost-benefit analyses, program performance and functionality, and science requirements and applications. The ATIC will examine emerging candidate technologies identified by the Department for treatment for disposal of mixed transuranic (TRU) and low-level wastes previously scheduled for incineration at the Idaho National Engineering and Environmental Laboratory (INEEL). The Department is identifying these technologies through implementation of its technology Research Development Deployment & Demonstration (RDD&D) plan. The ATIC will facilitate stakeholder comment and communications on issues related to emerging alternative technologies to incineration for the treatment of mixed TRU and low-level wastes.
