

Welcome to the new CMS email system. Receipt of this notice means you have been successfully transitioned and will receive your notices from this return address. Please ensure your IT Department has made the necessary adjustments to continue to receive notices via our new email system. This email also serves as a test to make sure the new email system works. Archived messages will appear on the “*Ambulatory Surgical Center (ASC) Email Updates*” list located on the *Ambulatory Surgical Center (ASC) Payment* web page on the left navigation area at: <http://www.cms.hhs.gov/ASCPayment/>

The CMS email system is still a **one-way only** communication system and will not be monitored for inquiries or comments. To send questions please use the ‘Questions’ link (<http://questions.cms.hhs.gov/>) located at the top of any CMS web page or use the feedback link at: http://questions.cms.hhs.gov/cgi-bin/cmshhs.cfg/php/enduser/ask.php?p_prods=1,2,477
