January 28, 2000.

Take notice that on January 10, 2000, ARCO Products Company, a Division of Atlantic Richfield Company, Equilon Enterprises, LLC, a successor in interest to Texaco Refining and Marketing, Inc., and Mobile Oil Corporation (Complainants) tendered for filing a complaint alleging that there are reasonable grounds to believe that all of the rates of SFPP, LP. subject to the jurisdiction of the Commission and not just and reasonable. According to Complainants, the overcharges are 40% of the current cost of service and revenue requirements, or a minimum of \$75,000.000 a year.

Complainants further allege that, to the extent any of the rates are subject to a threshold “changed circumstances standard” pursuant to the EP Act of 1992, this threshold is met.

Complainants allege they are aggrieved and damaged by the unlawful acts of SFPP, L.P. and seek relief in the form of reduced rates in the future and reparations for past and current overcharges, with interest.

This complaint incorporates, and constitutes, a second amendment to the Second Amended Complaint filed this same day in related dockets that the Commission has heretofore held in abeyance, the same being Docket Nos. OR98–1–000, OR96–2–000, and OR96–10–000.
