

regulatory compliance problems, and existing environmental contamination;

3. A description of the storage building, if pre-existing, including date and type of construction including any special features which provide protection against leaks and external environmental hazards, fire suppression system, access control system, current activities and materials in storage, current tenants, and existing environmental contamination;

4. Equipment, materials, and labor required to upgrade or construct the facility to accept long term mercury storage;

5. Environmental and health and safety approvals required;

6. Estimated cost, including construction, operations, and decontamination. Include a description of the basis for the estimate, and any assumptions; and

7. Proposed schedule for providing a consolidation facility meeting the above requirements.

Expression of Interest Format: The length of the Expression of Interest should be no more than 30 pages using 12-point font. While the responder may determine how best to use the 30 pages, we recommend the following format: SECTION 1—Summary; SECTION 2—Description of Location with specific reference to the items requested by DNSC above; SECTION 3—Qualifications and experience of respondents in mercury storage operations or operations of similar complexity. When describing similar work that has been performed, include the name of the organization, contract number if applicable, and name and telephone number of the organization's point of contact and contracting officer.

Proprietary Information: If the Expression of Interest contains information that is privileged or confidential and which the respondent does not want disclosed to the public or used by the Federal Government for any purpose other than this Notice, the respondent should place the following notice on the Expression of Interest. "Notice: Data contained in these pages of this Expression of Interest have been submitted in confidence and contain trade secrets or commercial or financial information that is confidential or privileged, and such data should be used or disclosed only for purposes of consideration of this Expression of Interest. This restriction does not limit the Government's right to use or disclose data obtained without restriction from any source, including the respondent." The respondent should mark the pages that are considered "Proprietary Information".

Submission: Agencies wishing to make an Expression of Interest should do so in writing by April 30, 2001, to ensure their consideration. Each submittal should consist of an original and three photocopies, and be mailed to Project Manager, Mercury Management EIS; DNSC-E; Defense Logistics Agency; Defense National Stockpile Center, 8725 John J. Kingman Road, Suite 4616, Fort Belvoir, VA 22060-6223. DNSC will not consider attachments or appendices. Respondents may submit questions within 20 business days of this notice being published. Questions may be submitted by e-mail to dennis_lynch@hq.dla.mil or by fax to (703) 767-5411. Responses to questions will be posted on the Mercury Management EIS web site at www.mercuryeis.com. DNSC is under no obligation to pay for any costs associated with the preparation or submission of Expressions of Interest in response to this Notice. DNSC reserves the right to respond or not respond to any portion, all, or none of the Expressions of Interest submitted in response to this Notice.

Issued in Fort Belvoir, VA., on this 21st day of February, 2001.

Richard Connelly,

Administrator, Defense National Stockpile Center.

DEFENSE NUCLEAR FACILITIES SAFETY BOARD

Sunshine Act Meeting

Pursuant to the provision of the "Government in the Sunshine Act" (5 U.S.C. 552b), notice is hereby given of the Defense Nuclear Facilities Safety Board's (Board) meeting described below.

TIME AND DATE OF MEETING: 9:00 a.m., March 28, 2001.

PLACE: The Defense Nuclear Facilities Safety Board, Public Hearing Room, 625 Indiana Avenue, NW, Suite 300, Washington, DC 20004.

STATUS: Open.

MATTERS TO BE CONSIDERED: The Department of Energy (DOE) requires contractors at defense nuclear facilities to develop and implement quality assurance programs to ensure the requisite quality of operations, products, and services. Activities required to be conducted under established quality assurance programs extend from scientific studies, to the design of new facilities, operations of facilities, and deactivation of defense nuclear facilities

and directly affect safety-related systems and operations. Notwithstanding contract and rule requirements concerning quality assurance, there is evidence that quality assurance programs at defense nuclear facilities are not consistently achieving their quality objectives.

The Defense Nuclear Facilities Safety Board (Board) intends to hold a series of open meetings on the topic of quality assurance within the DOE nuclear defense activities. Board inquiries will address (1) the current framework of DOE quality assurance programs relative to industry standards, and (2) results of DOE assessments of contractor implementation of quality assurance requirements.

CONTACT PERSON FOR MORE INFORMATION: Richard A. Azzaro, General Counsel, Defense Nuclear Facilities Safety Board, 625 Indiana Avenue, NW, Suite 700, Washington, DC 20004, (800) 788-4016. This is a toll-free number.

SUPPLEMENTARY INFORMATION: The Defense Nuclear Facilities Safety Board reserves its right to further schedule and otherwise regulate the course of this meeting, to recess, reconvene, postpone or adjourn the meeting, and otherwise exercise its authority under the Atomic Energy Act of 1954, as amended.

Dated: March 1, 2001.

John T. Conway,
Chairman.

DEPARTMENT OF EDUCATION

[CFDA No. 84.341]

Grants and Cooperative Agreements; Availability, etc.

AGENCY: Office of Vocational and Adult Education.

ACTION: Notice inviting applicants to serve as field readers for the Community Technology Centers Program.

SUMMARY: The Office of Vocational and Adult Education (OVAE) invites interested individuals to apply to serve as field readers to evaluate grant applications for the Community Technology Centers Program. The purpose of the Community Technology Centers Program is to increase access to information technology and related educational services for adults and children in economically distressed low-income urban and rural communities through grants to establish or expand community technology centers.

DATES: Interested individuals are strongly encouraged to apply by April 15, 2001.

SUPPLEMENTARY INFORMATION: Detailed information on the program is available online at: <http://ed.gov/offices/OVAE/CTC>.

Duties and Compensation of Field Readers: Field readers will review applications according to the applicable selection criteria. It is expected that reviewers will be mailed applications and materials, oriented in a telephone conference call, assigned to a panel, and given a set period of time to review applications. Panel discussions with other reviewers will take about five hours and will also be conducted by telephone conference call. Each field reader who is selected will receive compensation for the review.

Field Reader Qualifications: The Department is seeking experienced and knowledgeable professionals who are current with issues regarding the provision of computers and technology to residents of low-income urban and rural communities. These professionals should be familiar with issues dealing with the start-up and expansion of community technology centers; use of technology in adult, preschool, elementary or secondary education programs; technology and technology management; or community development and outreach to residents of low-income communities.

Prospective field readers may include technology providers, administrators, and experts; individuals with experience in use of technology in

preschool, elementary, secondary or adult education; individuals from State and district agencies, early childhood, elementary and secondary education, institutions of higher education, and community-based organizations and agencies; and individuals with experience in providing access to technology in low-income communities. Each field reader must have the expertise necessary to accurately assess an applicant's submission on the applicable selection criteria.

The Community Technology Centers Program will be participating in a pilot of e-Reader, the Department's electronic field reading initiative. Readers will be required to have unrestricted access to a computer with Internet accessibility and a printer. In addition, a reader should be able to navigate a World Wide Web browser, be able to complete and submit on-line forms, and be able to send and receive e-mail.

Conflict of Interest: You may not serve as a reviewer if you or your spouse plan to submit a grant application under the program in Fiscal Year (FY) 2001 and you will be paid by the grant if awarded, and/or you or your spouse otherwise have a financial interest in the outcome of the FY 2001 grant competition.

Application Process: If you are interested in serving as a field reader, mail, fax or e-mail a copy of your resume to the address listed below and indicate that you are interested in serving as a field reader for the Community Technology Centers Program. Resumes should not exceed two pages and should include an e-mail address. A cover letter should highlight any experience the individual may have had as a reader in other competitions and any special knowledge and skills that are applicable for the review of applications under this competition.

FOR FURTHER INFORMATION CONTACT: Community Technology Centers Program, Division of Adult Education and Literacy, Office of Vocational and Adult Education, U.S. Department of Education, Washington, DC 20202-7240. Resumes and inquiries may be sent by e-mail to ctc@ed.gov or by Fax to: (202) 205-8973. Individuals who use a telecommunication device for the deaf (TDD) may call the Federal Information Relay Service (FIRS) at 1-800-877-8339, between 8 a.m. and 8 p.m., Eastern time, Monday through Friday.

Individuals with disabilities may obtain this document in an alternative format (e.g., Braille, large print, audio tape, or computer diskette) on request to the contact person listed in the preceding paragraph.
