

[Note from the Copyright Office: The commenter originally pasted a third-party article as the full text of the comment. A link was also included to the host of the article. Since the commenter is not the author of the article, the Office has substituted a link to the content that was submitted. It is unknown how long this particular link will provide access to the same material, therefore, the Office has also provided an additional link to another related material that appeared within the article.]
