and the Secretary of Transportation to order members of the Reserve Components to active duty and to waive certain statutory military personnel requirements. By Executive Order 13235 of November 16, 2001, I delegated authority to the Secretary of Defense to exercise certain emergency construction authority. By Executive Order 13286 of February 28, 2003, I transferred the authority delegated to the Secretary of Transportation in Executive Order 13223 to the Secretary of Homeland Security.

Because the terrorist threat continues, the national emergency declared on September 14, 2001, and the measures taken on September 14, 2001, November 16, 2001, and January 16, 2002, to deal with that emergency, must continue in effect beyond September 14, 2004. Therefore, I am continuing in effect for an additional year the national emergency I declared on September 14, 2001, with respect to the terrorist threat.

This notice shall be published in the **Federal Register** and transmitted to the Congress.

### Presidential Determination No. 2004–44 of September 10, 2004

#### **Presidential Determination and Certification Concerning Libya Under Section 101 and 102(b) of the Arms Export Control Act and Determination on Export-Import Bank Support for U.S. Exports to Libya**

##### *Memorandum for the Secretary of State*

Pursuant to section 101 of the Arms Export Control Act, I hereby determine that Libya received nuclear enrichment equipment, material, or technology after August 4, 1977. I hereby determine and certify that the continued termination of assistance, as required by this section, would have a serious adverse effect on vital United States interests and that I have received reliable assurances that Libya will not acquire or develop nuclear weapons or assist other nations in doing so.

Pursuant to section 102(b) of the Arms Export Control Act, I hereby determine that Libya, a non-nuclear weapon state, sought and received design information that I determine to be important to, and intended by Libya for use in, the development or manufacture of a nuclear explosive device. I hereby determine and certify that the application of sanctions, as required by this section, would have a serious adverse effect on vital United States interests.

Pursuant to section 2(b)(4) of the Export-Import Bank Act of 1945, as amended, I hereby determine and certify that it is in the national interest for the Export-Import Bank to guarantee, insure, or extend credit, or participate in the extension of credit in support of United States exports to Libya.

You are directed to report this determination to the Congress and to provide copies of the justification explaining the basis for this determination.
