

Name: Chad Woodford

Class of works: I am writing in support of Class #2 (DVD Region Coding):
Audiovisual works stored on Digital Versatile Disks ("DVDs") that are not
available in Region 1 DVD format and access to which is prevented by
technological measures.

Summary:

Disc name: Erasurehead

I purchased Eraserhead, a 1977 movie currently released on DVD elsewhere in
the world but not yet available in the U.S., from an online store. I cannot
play the region-encoded DVD on my Sony DVD player, which I bought here in the
U.S.; I have been forced to play the DVD on my PC, which in effect forces me
to use an entirely different system from my home-entertainment center for just
one film.
