Summary:

Disc name: An Introduction to Hong Kong Legends

Hong Kong Legends is a UK-based DVD label known for the painstaking time and effort they put into restoring martial arts films. Their discs are rather expensive, so I purchased this sampler to learn more about the label and see examples of its work. Unfortunately, when I tried to play it in my computer it informed me that it would only play on Region 2 and 4 players, which I don't own. Since Hong Kong Legends has a reputation of definitive DVD releases of the best martial arts films ever made, it isn't fair that American fans are shut out and stuck with lower-quality editions.
