

Name: Paul Beasi

Class of works: I am writing in support of Class #2 (DVD Region Coding):
Audiovisual works stored on Digital Versatile Disks ("DVDs") that are not
available in Region 1 DVD format and access to which is prevented by
technological measures.

Summary:

Disc name: Buffy the Vampire Slayer

I purchased the boxed set of Buffy the Vampire Slayer Season 1 from Australia
because it was not available in the US at the time. I was unable to play it on
my computer or on my stand-alone DVD player because it was encoded to play
only in Region 4. I had to purchase a region 4 DVD player to play the DVD.
