

Name: Richard Bergeron

Class of works: I am writing in support of Class #2 (DVD Region Coding):  
Audiovisual works stored on Digital Versatile Disks ("DVDs") that are not  
available in Region 1 DVD format and access to which is prevented by  
technological measures.

Summary:

Disc name: Robin of Sherwood

I am aware of the difficulties of playing foreign DVDs in US players and the  
above mentioned product is only available in the U.K. As such, I have only  
been able to play this DVD (Robin of Sherwood) in my laptop computer.  
However, after doing so 5 times, my laptop has apparently reconfigured itself  
to only play U.K. region DVDs, and will no longer play U.S. DVDs.
