Class of works: I am writing in support of Class #2 (DVD Region Coding):
Audiovisual works stored on Digital Versatile Disks ("DVDs") that are not
available in Region 1 DVD format and access to which is prevented by
technological measures.

Summary:

Disc name: Shaolin Soccer

I bought "Shaolin Soccer", a DVD that I heard was funny, when I was home in
Taiwan, and brought it back to the US for viewing at college.
I have only watched it once, on my friend's laptop which miraculously had a
region-free DVD drive. The region coding is really, really annoying; there
have been at least 3 times in the past year when I've wanted to watch the
movie but wasn't able to because of the region coding.
