technological measures.

Summary:

Disc name: Show Me Love

This DVD was purchased in Sweden for approx \$25 USD. I did not know why the  
DVD would not play, and at first I assumed it was defective. I was not aware  
that the DVD could not be played on my new Toshiba DVD player in the USA.  
I found the movie was imported to the USA under a different title and  
purchased it for \$20 USD. It is unfortunate that I have no way to return the  
copy purchased in Sweden.

I'm extremely frustrated at having to pay twice for the same movie.
