Funding Distribution:

* - If the council is requesting federal matching funds, gift funds equal to the amount of matching funds must also be budgeted and expended on project activities. The expenditure of gift funds should be shown in the second column (the "Other" column), and the amounts in the first column (the "NEH" column) should equal the sum of the outright and matching funds requested from NEH. If no matching funds are being requested, only the first column (the "NEH" column) needs to be completed.
