

duplication by industry and public sector agencies. In addition, USDA has not identified any relevant Federal rules that duplicate, overlap or conflict with this rule. However, grapefruit must meet the requirements as specified in the U.S. Standards for Grades of Florida Grapefruit (7 CFR 51.760 through 51.784) issued under the Agricultural Marketing Act of 1946 (7 U.S.C. 1621 through 1627).

The Committee's meeting was widely publicized throughout the citrus industry and all interested persons were invited to attend the meeting and participate in Committee deliberations on all issues. Like all Committee meetings, the November 16, 2004, meeting was a public meeting and all entities, both large and small, were able to express their views on this issue. In addition, interested persons are invited to submit information on the regulatory and informational impacts of this action on small businesses.

A small business guide on complying with fruit, vegetable, and specialty crop marketing agreements and orders may be viewed at: <http://www.ams.usda.gov/fv/moab.html>. Any questions about the compliance guide should be sent to Jay Guerber at the previously mentioned address in the **FOR FURTHER INFORMATION CONTACT** section.

This rule invites comments on a reduction in the minimum maturity requirements prescribed under the order until July 31, 2005. Any comments received will be considered prior to finalization of this rule.

After consideration of all relevant material presented, including the Committee's recommendation, and other information, it is found that this interim final rule, as hereinafter set forth, will tend to effectuate the declared policy of the Act.

Pursuant to 5 U.S.C. 553, it is also found and determined upon good cause that it is impracticable, unnecessary, and contrary to the public interest to give preliminary notice prior to putting this rule into effect and that good cause exists for not postponing the effective date of this rule until 30 days after publication in the **Federal Register** because: (1) Handlers began shipping grapefruit in late September; (2) Florida grapefruit growers need to know as soon as possible that they can begin picking this fruit; (3) the Committee recommended this change at a public meeting and interested parties had an opportunity to provide input; and (4) this rule provides a 60-day comment period and any comments received will be considered prior to finalization of this rule.

10 CFR Parts 19, 34, 40, 55, and 60

RIN 3150–AH58

Minor Correction Amendments for FY2004

AGENCY: Nuclear Regulatory Commission.

ACTION: Final rule.

SUMMARY: The Nuclear Regulatory Commission (NRC) is amending its regulations to correct several miscellaneous errors in the NRC Rules and Regulations. This document is necessary to inform the public of these corrective changes to NRC regulations.

DATES: *Effective Date:* December 22, 2004.

FOR FURTHER INFORMATION CONTACT:

Alzonia Shepard, Office of Administration, U.S. Nuclear Regulatory Commission, Washington, DC 20555–0001, telephone (301) 415–6864.

SUPPLEMENTARY INFORMATION:

Background

The Nuclear Regulatory Commission is amending the regulations in 10 CFR Parts 19, 34, 40, 55 and 60 to correct several miscellaneous errors in regulatory text. These changes occurred in the process of preparing and printing rulemaking documents.

Because these amendments constitute minor administrative corrections to the regulations, the notice and comment provisions of the Administrative Procedure Act do not apply pursuant to 5 U.S.C. 553(b)(B). The amendments are effective upon publication in the **Federal Register**. Good cause exists under 5 U.S.C. 553(d) to dispense with the usual 30-day delay in the effective date of the final rule, because the amendments are of a minor and administrative nature dealing with corrections to certain CFR sections, which do not require action by any person or entity regulated by the NRC. Nor does the final rule change the substantive responsibilities of any person or entity regulated by the NRC.

Environmental Impact: Categorical Exclusion

The NRC has determined that this final rule is the type of action described in categorical exclusion 10 CFR 51.22(c)(2). Therefore, neither an environmental impact statement nor an environmental assessment has been prepared for this final rule.

Paperwork Reduction Act Statement

This final rule does not contain a new or amended information collection requirements subject to the Paperwork Reduction Act of 1995 (44 U.S.C. 3501 *et seq.*). Existing requirements were approved by the Office of Management and Budget, approval numbers 3150–0053; 3150–0044; 3150–0010; 3150–0130; 3150–0020; and 3150–0011.

Public Protection Notification

The NRC may not conduct or sponsor, and a person is not required to respond to, a request for information of an information collection requirement unless the requesting document displays a currently valid OMB control number.

Technical Amendments

AGENCY: Office of Thrift Supervision, Treasury.

ACTION: Final rule.

SUMMARY: The Office of Thrift Supervision (OTS) is amending its regulations to incorporate a number of

technical and conforming amendments. They include clarifications and corrections of typographical errors.

EFFECTIVE DATE: December 22, 2004.

FOR FURTHER INFORMATION CONTACT: Marilyn K. Burton, Senior Paralegal (Regulations), (202) 906-6467, or Karen A. Osterloh, Special Counsel, (202) 906-6639, Regulations and Legislation Division, Chief Counsel's Office, Office of Thrift Supervision, 1700 G Street, NW., Washington, DC 20552.

SUPPLEMENTARY INFORMATION: OTS is amending its regulations to incorporate a number of technical and conforming amendments. OTS is making the following miscellaneous changes:

- *Part 506—Information Collection Requirements under the Paperwork Reduction Act (PRA).* The final rule updates the table displaying the OMB control numbers assigned to various OTS regulations under the PRA by correcting references to two control numbers. See 12 CFR 506.1(b).

- *Part 516—Application Processing Guidelines and Procedures.* The final rule updates § 516.40 to include the current address for OTS's Northeast Regional Offices and makes technical changes to the addresses for OTS's Midwest and West Regions.

- *Part 541—Definitions for Regulations Affecting Federal Savings Associations.* The final rule revises the definition of single family dwelling in § 541.25 to conform to the structure of other definitions in the part.

- *Part 560—Lending and Investment.* The final rule corrects a typographical error in § 560.93(b)(9).

- *Part 563—Savings Associations—Operations.* The final rule corrects a typographical error in § 563.43(f).

- *Part 564—Appraisals.* The final rule removes an outdated note from part 564.

- *Parts 567—Capital.* This final rule reinstates subsections (a)(2)(v)(B) and (C) to § 567.6, which were inadvertently removed by the final rule published on July 28, 2004 (69 FR 44908).

- *Part 570—Safety and Soundness Guidelines and Compliance Procedures.* The final rule updates references in § 570.1(c).

Administrative Procedure Act; Riegle Community Development and Regulatory Improvement Act of 1994

OTS finds that there is good cause to dispense with prior notice and comment on this final rule and with the 30-day delay of effective date mandated by the Administrative Procedure Act.¹ OTS believes that these procedures are unnecessary and contrary to public

interest because the rule merely makes technical changes to existing provisions. Because the amendments in the rule are not substantive, these changes will not affect savings associations.

Section 302 of the Riegle Community Development and Regulatory Improvement Act of 1994 provides that regulations that impose additional reporting, disclosure, or other new requirements may not take effect before the first day of the quarter following publication.² This section does not apply because this final rule imposes no additional requirements and makes only technical changes to existing regulations.

Regulatory Flexibility Act

Pursuant to section 605(b) of the Regulatory Flexibility Act,³ the OTS Director certifies that this technical corrections regulation will not have a significant economic impact on a substantial number of small entities.

Executive Order 12866

OTS has determined that this rule is not a “significant regulatory action” for purposes of Executive Order 12866.

Unfunded Mandates Reform Act of 1995

OTS has determined that the requirements of this final rule will not result in expenditures by State, local, and tribal governments, or by the private sector, of \$100 million or more in any one year. Accordingly, a budgetary impact statement is not required under section 202 of the Unfunded Mandates Reform Act of 1995.
