

prescription drugs. That accounts for 2% to 4% of the populations—a rate of abuse that has quadrupled since 1980. Prescription drug abuse—typically of painkillers, sedatives and mood-altering drugs—accounts for one-third of all illicit drug use in the United States. See Mark Wade, M.D., *supra*, 69 FR 7,018.

The Deputy Administrator finds that with respect to Internet transactions involving controlled substances, the horrific untold stories of drug abuse, addiction and treatment are the unintended, but foreseeable consequence of providing highly addictive drugs to the public without oversight. The closed system of distribution, brought about by the enactment of the Controlled Substances Act, is completely compromised when individuals can easily acquire controlled substances without regard to age or health status. Such lack of oversight describes EZRX, its principals, their associated companies and affiliated physician's practice of issuing prescriptions for and distributing controlled substances to indistinct Internet customers. Such conduct contributes to the abuse of controlled substances by EZRX's customers and is relevant under factor five and further supports revocation of its DEA Certificate of Registration.

It appears that EZRX and its principals, motivated purely by profit and in pursuit of financial gain, have demonstrated a cavalier disregard for controlled substance laws and regulations and a disturbing indifference to the health and safety of customers who purchased dangerous drugs through the Internet. Such demonstrated lack of character and adherence to the responsibilities inherent in a DEA registration show in no uncertain terms that EZRX's continued registration with DEA would be inconsistent with the public interest.

Accordingly, the Acting Deputy Administrator of the Drug Enforcement Administration, pursuant to the authority vested in her by 21 U.S.C. 823 and 824 and 28 CFR 0.100(b) and 0.104, hereby orders that DEA Certificate of Registration BE8488783, previously issued to EZRX, LLC, be, and it hereby is, revoked. The Deputy Administrator further orders that any pending applications for renewal of such registration be, and they hereby are, denied. This order is effective November 29, 2004.

Dated: September 29, 2004.

Michele M. Leonhart,
Deputy Administrator.
