

handle controlled substances in Ohio or Michigan and therefore, not entitled to a DEA registration in either jurisdiction. As a result of a finding that Dr. Phillips lacks any state authorization to handle controlled substances, the Deputy Administrator concludes that it is unnecessary to address further whether his DEA registration should be revoked based upon the public interest grounds asserted in the Order to Show Cause. See Samuel Silas Jackson, D.D.S., 67 FR 65145 (2002); Nathaniel-Aikens-Afful, M.D., 62 FR 16871 (1997); Sam F. Moore, D.V.M., 58 FR 14428 (1993).

Accordingly, the Deputy Administrator of the Drug Enforcement Administration, pursuant to the authority vested in her by 21 U.S.C. 823 and 824 and 28 CFR 0.100(b) and 0.104, hereby orders that DEA Certificate of Registration, BP3145403, issued to David C. Phillips, M.D., be, and it hereby is, revoked. The Deputy Administrator further orders that any pending applications for renewal or modification of such registration be, and they hereby are, denied. This order is effective November 1, 2004.

Dated: September 8, 2004.

Michele M. Leonhart,
Deputy Administrator.

Manufacturer of Controlled Substances; Notice of Registration

By Notice dated May 21, 2004, and published in the **Federal Register** on June 3, 2004, (69 FR 31414), Research Triangle Institute, Kenneth H. Davis Jr., Hermann Building East Institute Drive, P.O. Box 12194, Research Triangle Park, North Carolina 27709, made application by renewal to the Drug Enforcement Administration (DEA) to be registered as a bulk manufacturer of the basic classes of controlled substances:

Drug	Schedule
Marihuana (7360)	I
Cocaine (9041)	II

The Institute will manufacture small quantities of cocaine derivates and marihuana derivatives for use by their customers primarily in analytical kits, reagents and standards.

No comments or objections have been received. DEA has considered the factors in 21 U.S.C. 823(a) and determined that the registration of

Research Triangle Institute to manufacture the listed basic classes of controlled substances is consistent with the public interest at this time. DEA has investigated Research Triangle Institute to ensure that the company's registration is consistent with the public interest. The investigation has included inspection and testing of the company's physical security systems, verification of the company's compliance with state and local laws, and a review of the company's background and history. Therefore, pursuant to 21 U.S.C. 823, and in accordance with 21 CFR 1301.33, the above named company is granted registration as a bulk manufacturer of the basic classes of controlled substances listed.

Dated: September 8, 2004.

William J. Walker,
Deputy Assistant Administrator, Office of Diversion Control Drug Enforcement Administration.

Import of Controlled Substances; Notice of Registration

By Notice dated May 21, 2004 and published in the **Federal Register** on June 3, 2004, (69 FR 31413-31414), Research Triangle Institute, Kenneth H. Davis, Jr., Hermann Building East Institute Drive, PO Box 12194, Research Triangle Park, North Carolina 27709, made application by renewal to the Drug Enforcement Administration (DEA) to be registered as an importer of the following basic classes of controlled substance:

Drug	Schedule
Marihuana (7360)	I
Cocaine (9041)	II

The company plans to import small quantities of the listed substances for the National Institute of Drug Abuse and other clients.

No comments or objections have been received. DEA has considered the factors in 21 U.S.C. 823(a) and 952(a) and determined that the registration of Research Triangle Institute to import the basic classes of controlled substances is consistent with the public interest and with United States obligations under international treaties, conventions, or protocols in effect on May 1, 1971, at this time. DEA has investigated Research Triangle Institute to ensure that the company's registration is

consistent with the public interest. The investigation has included inspection and testing of the company's physical security systems, verification of the company's compliance with state and local laws, and a review of the company's background and history. Therefore, pursuant to 21 U.S.C. 952(a) and 958(a), and in accordance with 21 CFR 1301.34, the above named company is granted registration as an importer of the basic class of controlled substance listed.

Dated: September 15, 2004.

Saeed Saleh, M.D.; Revocation of Registration

On December 8, 2003, the Deputy Assistant Administrator, Office of Diversion Control, Drug Enforcement Administration (DEA), issued an Order to Show Cause to Saeed Saleh,¹ M.D. (Dr. Saleh) notifying him of an opportunity to show cause as to why DEA should not revoke his Certificate of Registration, AS5912387, under 21 U.S.C. 824(a)(3) and (a)(4), and deny any pending applications for renewal or modification of that registration pursuant to 21 U.S.C. 823(f). Specifically, the Order to show Cause alleged in relevant part, the following:

(1) Effective June 2, 2001, the State of Michigan, Department of Consumer and Industry Services, Board of Medicine Disciplinary Subcommittee, suspended Dr. Saleh's licensure privileges. On September 19, 2001, the Subcommittee dissolved the summary suspension and suspended Dr. Saleh's medical license for six months and one day. Because reinstatement of his medical license following the suspension was not automatic, Dr. Saleh was required to apply for reinstatement, which he failed to do. As of September 4, 2003, Dr. Saleh's medical license was considered "lapsed", as it expired on January 31, 2003.

¹ The Order to Show Cause alternates the spelling of the registrant's last name between *Salah* and *Saleh*. Since it appears from attached correspondences in the investigative file that the common spelling of the registrant's name is Saleh, the Deputy Administrator will refer to the registrant's name in a similar fashion.
