SECURITIES AND EXCHANGE COMMISSION

[Release No. 34-50093; File No. SR-Amex-2004-56]

Self-Regulatory Organizations; Notice of Filing and Immediate Effectiveness of Proposed Rule Change by the American Stock Exchange LLC To Amend Alphabetical Designations of Paragraphs in Amex Rule 118

July 27, 2004.

Pursuant to section 19(b)(1) of the Securities Exchange Act of 1934

(“Act”)¹ and Rule 19b-4 thereunder,² notice is hereby given that on July 26, 2004, the American Stock Exchange LLC (“Amex” or “Exchange”) filed with the Securities and Exchange Commission (“Commission”) the proposed rule change, as described in Items I and II below, which Items have been prepared by the Exchange. The Exchange has filed this proposed rule change pursuant to section 19(b)(3)(A) of the Act³ and Rule 19b-4(f)(6) thereunder,⁴ which renders the proposal effective upon filing with the Commission. The Commission is publishing this notice to solicit comment on the proposed rule change from interested persons.

I. Self-Regulatory Organization's Statement of the Terms of Substance of the Proposed Rule Change

The Amex proposes to correct the alphabetical designation of paragraphs in Amex Rule 118. The text of the proposed rule change is available at the Commission and at the Amex.

II. Self-Regulatory Organization's Statement of the Purpose of, and Statutory Basis for, the Proposed Rule Change

In its filing with the Commission, the Exchange included statements concerning the purpose of and basis for the proposed rule change and discussed any comments it received regarding the proposal. The text of these statements may be examined at the places specified in Item IV below. The Amex has prepared summaries, set forth in Sections A, B, and C below, of the most significant aspects of such statements.

A. Self-Regulatory Organization's Statement of the Purpose of, and Statutory Basis for, the Proposed Rule Change

1. Purpose

On April 30, 2003 the Exchange submitted a proposal amending Amex Rule 118 to adopt a clearly erroneous transaction rule and half-point error guarantee for trades in Nasdaq National Market Securities. By the time the Commission approved this filing on June 29, 2004,⁵ it had approved other changes⁶ to Rule 118 and the alphabetical designation of the new paragraphs to this rule were no longer

appropriate. This filing seeks to correct a formatting error and keep published rules organized.

2. Statutory Basis

The Amex believes the proposed rule change is consistent with section 6(b) of the Act⁷ in general and furthers the objectives of section 6(b) of the Act⁸ in particular in that it is designed to prevent fraudulent and manipulative acts and practices, to promote just and equitable principles of trade, to foster cooperation and coordination with persons engaged in regulating, clearing, settling, processing information with respect to and facilitating transactions in securities, to remove impediments to and perfect the mechanism of a free and open market and a national market system, and, in general, to protect investors and the public interest; and is not designed to permit unfair discrimination between customers, issuers, brokers and dealers.

B. Self-Regulatory Organization's Statement on Burden on Competition

The Exchange believes that the proposed rule change will impose no burden on competition that is not necessary or appropriate in furtherance of the purposes of the Act.

C. Self-Regulatory Organization's Statement on Comments on the Proposed Rule Change Received From Members, Participants or Others

No written comments were solicited or received by the Exchange on this proposal.

III. Date of Effectiveness of the Proposed Rule Change and Timing for Commission Action

The Exchange asserts that the proposed rule change is immediately effective pursuant to section 19(b)(3)(A) of the Act⁹ and Rule 19b-4(f)(6) thereunder¹⁰ because it: (1) Does not significantly affect the protection of investors or the public interest; (2) does not impose any significant burden on competition; and (3) does not become operative for 30 days from the date on which it was filed, or such shorter time as the Commission may designate if consistent with protection of investors and the public interest.

The Exchange has requested the Commission to waive the 30-day operative delay and the five-day pre-filing notice requirement. The Commission believes waiving the 30-

day operative delay is consistent with the protection of investors and the public interest because it will allow the expeditious and accurate publication of Amex rules.¹¹ The Commission has also determined to waive the five-day pre-filing notice requirement. At any time within 60 days of the filing of the proposed rule change, the Commission may summarily abrogate such proposed rule change if it appears to the Commission that such action is necessary or appropriate in the public interest, for the protection of investors, or otherwise in furtherance of the purposes of the Act.
