Name: National Committee on Vital and Health Statistics (NCVHS), Subcommittee on Privacy and Confidentiality.

Time and Date: 9 a.m.-5 p.m. February 18, 2004. 8:30 a.m.-3 p.m. February 19, 2004.

Place: Humphrey Building, Room 705A, 200 Independence Avenue, SW., Washington, DC.

Status: Open.

Background: The National Committee on Vital and Health Statistics is the statutory public advisory body to the Secretary of Health and Human Services in the areas of health data, statistics, and health information policy. Established by section 306(k) of the Public Health Service Act (42 U.S.C. 242k(k)), its mandate includes advising the Secretary on the implementation of the Administrative Simplification provisions (Social Security Act, title XI, part C, 42 U.S.C. section 1320d to 1320d-8) of the Health Insurance Portability and Accountability Act of 1996 (HIPAA), Pub. L. 104-191.

The NCVHS Subcommittee on Privacy and Confidentiality monitors developments in health information privacy and confidentiality on behalf of the full Committee and makes recommendations to the full Committee so that it can advise the Secretary on implementation of the health information privacy provisions of HIPAA.

Purpose: This meeting of the Subcommittee on Privacy and Confidentiality will receive information on the implementation of the regulation "Standards for Privacy of Individually Identifiable Health Information" (45 CFR parts 160 and 164), promulgated under the Health Insurance Portability and Accountability Act of 1996.

The regulation and further information about it can be found on the Web site of the Office for Civil Rights, at <http://www.hhs.gov/ocr/hipaa/>. The regulation has been in effect since April 14, 2001. Most entities covered by the regulation were required to come into compliance by April 14, 2003.

The first day of the meeting will be conducted as a hearing, in which the Subcommittee will gather information about the impact of the regulation on banking and on law enforcement. The Subcommittee will invite representatives of affected groups to provide information about how the regulation has affected the level of privacy and confidentiality for protected health information, best practices for implementation of the regulation, and information that might help to identify and resolve barriers to compliance. The format will include one or more invited panels and time for questions and discussion. The Subcommittee will ask the invited witnesses for examples of the effect the regulation has had on individuals and on entities subject to the regulation. The first day will also include a time period during which members of the public may deliver brief (3 minutes of less) oral public comment about the implementation of the regulation.
