DEPARTMENT OF ENERGY

Agency Information Collection Extension

AGENCY: U.S. Department of Energy.

ACTION: Notice and Request for Comments.

SUMMARY: The Department of Energy (DOE), pursuant to the Paperwork Reduction Act of 1995, intends to extend for three years, an information collection package with the Office of Management and Budget (OMB) used by the Department to exercise management oversight and control over contractors including management and operating (M&O) contractors operating DOE's facilities. This information is used by the Department to perform management oversight regarding implementation of applicable statutory, regulatory and contractual requirements and obligations. The collection is critical to ensure that the Government has sufficient information to judge the

degree to which contractors are meeting requirements, that public funds are spent in an efficient and effective manner and that fraud, waste and abuse are avoided.

Comments are invited on: (a) Whether the extended collection of information is necessary for the proper performance of the functions of the agency, including whether the information shall have practical utility; (b) the accuracy of the agency's estimate of the burden of the proposed collection of information, including the validity of the methodology and assumptions used; (c) ways to enhance the quality, utility, and clarity of the information to be collected; and (d) ways to minimize the burden of the collection of information on respondents, including through the use of automated collection techniques or other forms of information technology.

DATES: Comments regarding this proposed information collection must be received on or before February 8, 2005. If you anticipate difficulty in submitting comments within that period, contact the person listed below as soon as possible.
