

ENVIRONMENTAL PROTECTION AGENCY

[FRL-7660-2]

Proposed Administrative Settlement Agreement Pursuant to the Comprehensive Environmental Response, Compensation, and Liability Act (CERCLA)—Creede Airport Properties Site, Mineral County, Colorado**AGENCY:** Environmental Protection Agency.**ACTION:** Notice and request for public comment.

SUMMARY: Notice is hereby given of a proposed settlement under the Comprehensive Environmental Response, Compensation, and Liability Act (CERCLA), concerning property in the vicinity of the Mineral County Memorial Airport, Creede, Colorado (Property). The proposed settlement is a prospective purchaser agreement with John Parker, Navajo Development LLC, Navajo Development Company, Inc. and the Mineral County Fairgrounds Associations (MCFA) (hereinafter, the "Settling Respondents"), which would resolve the CERCLA liability of the Settling Respondents with respect to the Property. Pursuant to the settlement, Settling Respondents will provide EPA and the State access, perform cleanup activities on the Property pursuant to plans approved by the Colorado Voluntary Cleanup Program and grant an environmental covenant that will place land use controls on the Property. **DATES:** The public may submit comments to EPA on or before June 11, 2004.

ADDRESSES: The proposed settlement is available for inspection at the EPA Region 8 Superfund Record Center, 999 18th Street, 5th Floor, North Tower, Denver, Colorado, (303) 312-6473. Comments should be addressed to Suzanne Bohan, Enforcement Attorney, (8ENF-L), U.S. Environmental Protection Agency, 999 18th Street, Suite 300, Denver, Colorado, 80202-2466, and should reference the Creede Airport Properties Prospective Purchaser Agreement.

FOR FURTHER INFORMATION CONTACT: Suzanne Bohan, Enforcement Attorney, at (303) 312-6925.

SUPPLEMENTARY INFORMATION: The Creede Airport Properties Site (Site) includes nearly 300 acres and is located just south of the City of Creede on the relatively flat flood plain of Willow Creek. The Rio Grande flows from west to east approximately one half mile south of the Property. The Site has been

impacted by historical mining activities upstream of Creede.

Within the Site, there are five parcels of land; all are adjacent to or part of the Mineral County Airport in Creede. Navajo Development, LLC, and Navajo Development, Inc. has an option to purchase Parcel 1 (consisting of subparcels 1A, 1B 1C and 1D)(hereinafter, "the Property"). The Property is owned by Creede Mines, Inc. Navajo intends to purchase the Property and donate 3 subparcels (subparcels 1B, 1C and 1D) to the Mineral County Fairgrounds Association ("MCFA"), a 501(c)(3) non-profit charitable organization, simultaneous with Navajo's acquisition of Parcel 1.

After completing the cleanups on the Property, the Settling Respondents plan to redevelop this idle property for a mixture of uses which may include low income housing, commercial development and a bike trail.

It is so agreed.

Dated: April 29, 2004.

Carol Rushin,

Assistant Regional Administrator, Region 8.

FEDERAL COMMUNICATIONS COMMISSION**Notice of Public Information Collection(s) Being Reviewed by the Federal Communications Commission, Comments Requested**

May 4, 2004.

SUMMARY: The Federal Communications Commission, as part of its continuing effort to reduce paperwork burden invites the general public and other Federal agencies to take this opportunity to comment on the following information collection(s), as required by the Paperwork Reduction Act (PRA) of 1995, Public Law 104-13. An agency may not conduct or sponsor a collection of information unless it displays a currently valid control number. No person shall be subject to any penalty for failing to comply with a collection of information subject to the Paperwork Reduction Act that does not display a valid control number. Comments are requested concerning (a) whether the proposed collection of information is necessary for the proper performance of the functions of the Commission, including whether the information shall have practical utility; (b) the accuracy of the Commission's burden estimate; (c) ways to enhance the quality, utility, and clarity of the information collected; and (d) ways to

minimize the burden of the collection of information on the respondents, including the use of automated collection techniques or other forms of information technology.

DATES: Written Paperwork Reduction Act (PRA) comments should be submitted on or before July 12, 2004. If you anticipate that you will be submitting comments, but find it difficult to do so within the period of time allowed by this notice, you should advise the contact listed below as soon as possible.

ADDRESSES: Direct all Paperwork Reduction Act (PRA) comments to Judith B. Herman, Federal Communications Commission, Room 1-C804, 445 12th Street, SW., Washington, DC 20554 or via the Internet to *Judith-B.Herman@fcc.gov*.

FOR FURTHER INFORMATION CONTACT: For additional information or copies of the information collection(s), contact Judith B. Herman at 202-418-0214 or via the Internet at *Judith-B.Herman@fcc.gov*.

SUPPLEMENTARY INFORMATION:

OMB Control No.: 3060-XXXX.

Title: Qualification Questions.

Form No.: FCC Form 312-EZ.

Type of Review: New collection.

Respondents: Business or other for-profit.

Number of Respondents: 3,872.

Estimated Time Per Response: 10 hours.

Frequency of Response: On occasion reporting requirement and third party disclosure requirement.

Total Annual Burden: 38,720 hours.

Total Annual Cost: \$4,347,000.

Privacy Act Impact Assessment: N/A.

Needs and Uses: The FCC Form 312-EZ is used by applicants for routine conventional C-band and Ku-band earth station applications eligible for the "auto-grant" procedure. This information collection is used by the Commission in carrying out its duties concerning satellite communications as required by sections 301, 308, 309 and 310 of the Communications Act, as amended. This collection is also used by Commission staff in carrying out its duties under the World Trade Organization (WTO) Basic Telecom Agreement. The information collection requirements accounted for in this collection are necessary to determine the technical and legal qualifications of applicants or licensees to operate a station, transfer or assign a license, and to determine whether the authorization is in the public interest, convenience and necessity. Without such information, the Commission could not determine whether to permit respondents to provide
