SECURITIES AND EXCHANGE COMMISSION

[Release No. 34-50220; File No. SR-BSE-2004-37]

Self-Regulatory Organizations; Boston Stock Exchange, Inc.; Notice of Filing and Order Granting Accelerated Approval of a Proposed Rule Change To Extend Its Clean Cross Rule to the Trading of Exchange-Listed Securities

August 19, 2004.

Pursuant to Section 19(b)(1) of the Securities Exchange Act of 1934 ("Act"),¹ and Rule 19b-4 thereunder,² notice is hereby given that on August 18, 2004, the Boston Stock Exchange, Inc. ("BSE" or "Exchange") filed with the Securities and Exchange Commission ("Commission") the proposed rule change as described in Items I, II, and III below, which Items have been prepared by the Exchange. The Commission is publishing this notice to solicit comments on the proposed rule change from interested

persons and is approving the proposal on an accelerated basis.

I. Self-Regulatory Organization's Statement of the Terms of Substance of the Proposed Rule Change

The Exchange proposes to replicate a section of its Nasdaq trading rules relating to orders to buy and sell the same security into its rules applicable to the trading of exchange-listed securities.

The text of the proposed rule change is below. Proposed new language is italicized; proposed deletions are in brackets.

Rules of the Boston Stock Exchange

Chapter II—Dealings on the Exchange

* * * * *

Sec. 18 Orders To Buy and Sell the Same Security

When a member has an order to buy and an order to sell the same security, he shall audibly offer such security, if bonds, at 1/8 of 1%, and if stocks, at the approved Minimum Price Variation ("MPV") (as defined in Chapter II, Section 41), higher than his bid before making a transaction with himself.

When a member has an order to buy and an order to sell an equivalent amount of the same security, and both orders are for 5,000 shares or more and are for accounts other than the accounts of the executing member, the member may cross such orders at a price which is at or within the prevailing bid or offer. The member's bid or offer shall be entitled to priority at such cross price, provided that the proposed cross transaction is of a size greater than the aggregate size of all of the interest communicated on the Exchange floor at that price. Another member may trade with either the bid or offer side of the presented cross transaction only to provide a price which is better than the cross price as to all or part of such bid or offer. A member who is providing a better price to one side of the cross transaction must trade with all other market interest having priority at that price before trading with any part of the cross transaction.

II. Self-Regulatory Organization's Statement of the Purpose of, and Statutory Basis for, the Proposed Rule Change

In its filing with the Commission, the Exchange included statements concerning the purpose of, and the basis for, the proposed rule change and discussed any comments it received on the proposed rule change. The text of

these statements may be examined at the places specified in Item III below. The Exchange has prepared summaries, set forth in Sections A, B, and C below, of the most significant aspects of such statements.

A. Self-Regulatory Organization's Statement of the Purpose of, and Statutory Basis for, the Proposed Rule Change

1. Purpose

The purpose of the proposed rule change is to restate a section of the Rules of the Board of Governors of the Exchange (the "BSE Rules") relating to Orders to Buy and Sell the Same Security ("Clean Cross Rule"). Currently, the Exchange has a Clean Cross Rule set forth in Chapter XXXV of the BSE Rules, which is applicable to the trading of Nasdaq securities.³ The Exchange is seeking to restate this rule, verbatim, in Chapter II of the BSE Rules, so that it would also apply to the trading of exchange-listed securities. In extending its Clean Cross Rule to exchange-listed securities, the BSE believes it would be on a competitive par with other exchanges that have Clean Cross Rules. The BSE notes, for example, that the American Stock Exchange ("Amex") has a Clean Cross Rule upon which the BSE Clean Cross Rule is based.⁴

2. Statutory Basis

The Exchange believes that the proposal is consistent with the requirements of Section 6(b) of the Act,⁵ in general, and with Section 6(b)(5) of the Act,⁶ in particular, in that it is designed to promote just and equitable principles of trade, to remove impediments to and perfect the mechanism of a free and open market and a national market system, and is not designed to permit unfair discrimination between customers, brokers, or dealers, or to regulate, by virtue of any authority, matters not related to the administration of the Exchange.

B. Self-Regulatory Organization's Statement on Burden on Competition

The Exchange does not believe that the proposed rule change would impose any burden on competition.
