August 6, 2004.

On July 30, 2004, the Commission issued the annual charges billings for Fiscal Year 2004. This statement of annual charges is issued pursuant to 18 CFR part 382 and covers the period October 1, 2003, through September 30, 2004. The Annual Charge Adjustment (ACA) unit charge included in the Gas Program Cost Analysis in accordance with 18 CFR 154.402(a) is corrected to read:

“The annual charges unit charge to be applied to rates in 2004 recovery of 2003 debit/credit and 2004 current year annual charge is \$0.0019 per Dth. In accordance with section § 154.402(a), changes to the ACA must be filed annually to reflect the annual charge unit rate authorized by the Commission each fiscal year. If you need to change your ACA surcharge, use \$0.0019 per Dth in your company’s tariff, as it has been adjusted to include last year’s debit/credit factor.”

Records Governing Off-the-Record Communications; Public Notice

August 6, 2004.

This constitutes notice, in accordance with 18 CFR 385.2201(b), of the receipt of exempt and prohibited off-the-record communications.

Order No. 607 (64 FR 51222, September 22, 1999) requires Commission decisional employees, who make or receive an exempt or prohibited off-the-record communication relevant to the merits of a contested on-the-record proceeding, to deliver a copy of the communication, if written, or a summary of the substance of any oral communication, to the Secretary.

Prohibited communications will be included in a public, non-decisional file associated with, but not a part of, the decisional record of the proceeding. Unless the Commission determines that the prohibited communication and any responses thereto should become a part of the decisional record, the prohibited off-the-record communication will not be considered by the Commission in reaching its decision. Parties to a proceeding may seek the opportunity to respond to any facts or contentions made in a prohibited off-the-record

communication, and may request that the Commission place the prohibited communication and responses thereto in the decisional record. The Commission will grant such a request only when it determines that fairness so requires. Any person identified below as having made a prohibited off-the-record communication shall serve the document on all parties listed on the official service list for the applicable proceeding in accordance with Rule 2010, 18 CFR 385.2010.

Exempt off-the-record communications will be included in the decisional record of the proceeding, unless the communication was with a cooperating agency as described by 40 CFR 1501.6, made under 18 CFR 385.2201(e)(1)(v).

The following is a list of prohibited and exempt communications recently received in the Office of the Secretary. The communications listed are grouped by docket numbers.
