In its filing with the Commission, the Exchange included statements concerning the purpose of and basis for the proposed rule change and discussed any comments it received on the proposed rule change. The text of these statements may be examined at the places specified in Item IV below. The Exchange has prepared summaries, set forth in Sections A, B, and C below, of the most significant aspects of such statements.

(“Commission”) the proposed rule change as described in Items I, II, and III, below, which the PCX has prepared. The PCX has designated this proposal as one establishing or changing a due, fee or other charge imposed by the self-regulatory organization under Section 19(b)(3)(A)(ii) of the Act³ and Rule 19b-4(f)(2) thereunder,⁴ which renders the rule effective upon Commission receipt of this filing. The Commission is publishing this notice to solicit comments on the proposed rule change from interested persons.

A. Self-Regulatory Organization’s Statement of the Purpose of, and Statutory Basis for, the Proposed Rule Change

1. Purpose

The Exchange is proposing to amend the Trade-Related Charges portion of its Schedule in order to delete the fee relating to its Volume Discount Program. On December 16, 2003, the Exchange submitted a filing with the Commission to implement the new Incentive Pricing Program for Market Maker transaction charges.⁵ As part of its ongoing effort to secure existing volumes and attract higher levels of liquidity, the PCX proposed a three-tiered rate schedule that would lower transaction charges for Market Makers (including Lead Market Makers) as the

I. Self-Regulatory Organization’s Statement of the Terms of Substance of the Proposed Rule Change

The PCX proposes to amend the Trade-Related Charges portion of its Schedule of Fees and Charges (“Schedule”) in order to delete the fee relating to its Volume Discount Program.

The text of the proposed rule change is below. Proposed deletions are in [brackets].

Exchange attains higher levels of market share on individual issues. The Incentive Pricing Program became effective upon filing. As a result of the application of the new Incentive Pricing Program, the Exchange no longer has need for the Volume Discount Program and proposes to eliminate it from the Schedule.

2. Statutory Basis

The Exchange believes that this proposal to amend its schedule of dues, fees and charges would be an equitable allocation of reasonable fees among PCX members, and that the proposal is consistent with Section 6(b) of the Act⁶ and furthers the objectives of Section 6(b)(4) of the Act.⁷

SOCIAL SECURITY ADMINISTRATION

Supplemental Security Income (SSI) Demonstration: Work Incentives for Participants in the Florida Freedom Initiative

AGENCY: Social Security Administration (SSA).

ACTION: Notice.

SUMMARY: The Commissioner of Social Security (the Commissioner) will exercise her authority under section 1110(b) of the Social Security Act to conduct a demonstration and is publishing this notice in accordance with regulations at 20 CFR 416.250(e).

The demonstration, called Work Incentives for Participants in the Florida Freedom Initiative, will test whether the modification of certain SSI program rules fosters greater self-sufficiency among SSI beneficiaries participating in the Florida Freedom Initiative. The Florida Freedom Initiative is a demonstration being undertaken by the Florida Department of Children and Families through a Systems Change grant from the Department of Health and Human Services (DHHS), Centers for Medicare & Medicaid Services (CMS).

EFFECTIVE DATES: It is anticipated that the Florida Freedom Initiative will begin no later than March 1, 2004. According to the demonstration plan, beneficiaries may participate throughout the period of the demonstration for up to three years. Thus, the anticipated ending date for participation will be no later than February 28, 2007. In some cases, however, the modified SSI program rules that the Commissioner is creating relative to individual development accounts and plans for achieving self-support (see below) may continue to apply for a limited time after an individual's participation in the Florida Freedom Initiative ends.

steve.fear@ssa.gov, by telephone at (410) 966-0265, or by mail at Social Security Administration, Office of Program Development and Research, 3516 Annex Building, 6401 Security Boulevard, Baltimore, MD 21235.

SUPPLEMENTARY INFORMATION:

Florida Freedom Initiative and Consumer Directed Care Plus Demonstrations

The Florida Freedom Initiative will attempt to build on the success of an ongoing "Cash and Counseling" demonstration, Consumer Directed Care Plus, that the State has been conducting with partners that include: CMS, the Office of the Assistant Secretary for Planning and Evaluation at DHHS, the National Program Office at the University of Maryland Center on Aging, the Robert Wood Johnson Foundation, the National Council on Aging, and Mathematica Policy Research (as the evaluator).

For Consumer Directed Care Plus, the Secretary of DHHS (the Secretary) exercised his authority under section 1115 of the Act to waive certain Medicaid program rules. The Medicaid waivers permit Medicaid beneficiaries using personal-attendant, supported-employment, or certain other services, to receive a cash allowance in lieu of those services, along with information support that enables them to select and purchase the specific services they need from providers of their choosing.

The Commissioner, to enable SSI beneficiaries to participate in the Consumer Directed Care Plus demonstration and to test the effect of modified SSI program rules in the demonstration's Medicaid-waiver environment, waived SSI rules regarding how long an individual can retain certain cash received for medical and social services before they count toward the SSI resources limit. The Commissioner also waived SSI rules that would require interest earned on such retained funds to count as income. See 63 FR 58802 (November 2, 1998).

For the Florida Freedom Initiative, the Secretary will expand the types of services for which Medicaid beneficiaries can receive a cash allowance. The demonstration also will incorporate, to a greater extent than was possible in Consumer Directed Care Plus, the principles of self-determination, one of which emphasizes the generation of personal income through work, often through the development of a microenterprise. To aid in the removal of systemic barriers to work that were identified in the course of the Consumer Directed Care Plus demonstration, the Commissioner
