[Docket No. EL05-21-000]

Tenaska Frontier Partners, Ltd., Complainant v. Entergy Gulf States, Inc. and Entergy Services, Inc., Respondents; Notice of Complaint

November 10, 2004.

Take notice that on November 8, 2004, Tenaska Frontier Partners, Ltd. (Frontier) filed a Complaint, pursuant to Section 206 of the Federal Power Act, against Entergy Gulf States, Inc. and Entergy Services, Inc. (collectively, Entergy). The Complaint asserts that Entergy is violating the Commission's Interconnection Policy, engaging in prohibited "and" pricing, and charging unjust and unreasonable rates because Entergy has misclassified certain interconnection-related facilities in the Frontier-Entergy Interconnection Agreement and is refusing to provide transmission credits for facilities that should properly be classified as Network Upgrades under the Commission's Interconnection Policy.

Frontier states that copies of the Complaint have been served on Entergy.

Any person desiring to intervene or to protest this filing must file in accordance with Rules 211 and 214 of the Commission's Rules of Practice and Procedure (18 CFR 385.211, 385.214). Any person wishing to become a party must file a notice of intervention or motion to intervene, as appropriate. The Respondent's answer and all interventions, or protests must be filed on or before the comment date. The Respondent's answer, motions to intervene, and protests must be served on the Complainants.
