Jennifer Bates, Realty Specialist, Bureau of Land Management, Rock Springs Field Office, 280 Highway 191 North, Rock Springs, Wyoming 82901, 307-352-0344.

**SUPPLEMENTARY INFORMATION:** The Bureau of Land Management proposes to sell the surface estate of the above-described land to PacifiCorp, an adjacent landowner and current right-of-way holder, via direct sale, pursuant to Section 203 of the Federal Land Policy and Management Act of 1976, 43 U.S.C. 1713. PacifiCorp wishes to acquire the land to protect its existing equities in the land. The lands are currently developed to contain two flue-gas desulphurization ponds, a fresh water pond, and other associated facilities, which are related to operation of the Jim Bridger Power Plant and are authorized by rights-of-way held by PacifiCorp. These lands have been sufficiently changed in character by the improvements associated with the rights-of-way, that disposal of these lands to PacifiCorp through direct sale is deemed to be in the public interest.

The proposed sale would be made at fair market value which has been determined to be \$722,500. The proposed sale is consistent with the Green River Resource Management Plan and would serve important public

objectives which cannot be achieved prudently or feasibly elsewhere. The lands contain no other known public values. The planning document, environmental assessment, and approved appraisal report covering the proposed sale are available for review at the Bureau of Land Management, Rock Springs Field Office, Rock Springs, Wyoming.

*Conveyance of the above public lands will be subject to:*

1. Reservation of a right-of-way to the United States for ditches and canals pursuant to the Act of August 30, 1890, 43 U.S.C. 945.

2. Reservation of all minerals pursuant to section 209(a) of the Federal Land Policy and Management Act of 1976, 43 U.S.C. 1719.

3. All valid existing rights documented on the official public land records at the time of conveyance.

There will be a decrease of 722.5 Federal acres within the Rock Springs Grazing Allotment. The 72 AUMs associated with the 722.5 acre parcel will be canceled. The grazing lessee has waived the 2 year notification period and therefore, this proposed sale is in compliance with 43 CFR 4110.42(b).

The public lands described above shall be segregated from all forms of appropriation under the public land laws; including the mining laws, upon publication of this notice in the **Federal Register**. The segregative effect will end upon issuance of the patent or 270 days from the date of the publication, whichever comes first.

For a period of 45 days after issuance of this notice, interested parties may submit comments to the Field Manager, Rock Springs Field Office, Bureau of Land Management, 280 Highway 191 North, Rock Springs, Wyoming 82901. Any adverse comments will be evaluated by the State Director who may sustain, vacate, or modify this realty action. In the absence of any objections, this proposed realty action will become final.

Dated: December 4, 2003.

## INTERNATIONAL TRADE COMMISSION

[Investigations Nos. 701-TA-437 and 731-TA-1060 and 1061 (Preliminary)]

### Carbazole Violet Pigment 23 From China and India

#### Determination

On the basis of the record<sup>1</sup> developed in the subject investigations, the United States International Trade Commission (Commission) determines, pursuant to section 703(a) and 733(a) of the Tariff Act of 1930 (19 U.S.C. 1671b(a) and 1673b(a)) (the Act), that there is a reasonable indication that an industry in the United States is materially injured by reason of imports from China and India of carbazole violet pigment 23, provided for in subheading 3204.17.90 of the Harmonized Tariff Schedule of the United States, that are alleged to be subsidized by the Government of India and that are alleged to be sold in the United States at less than fair value (LTFV).

#### Commencement of Final Phase Investigations

Pursuant to section 207.18 of the Commission's rules, the Commission also gives notice of the commencement of the final phase of its investigations. The Commission will issue a final phase notice of scheduling, which will be published in the **Federal Register** as provided in section 207.21 of the Commission's rules, upon notice from the Department of Commerce (Commerce) of affirmative preliminary determinations in these investigations under section 703(b) and 733(b) of the Act, or, if the preliminary determinations are negative, upon notice of affirmative final determinations in these investigations under section 705(a) and 735(a) of the Act. Parties that filed entries of appearance in the preliminary phase of the investigations need not enter a separate appearance for the final phase of the investigations. Industrial users, and, if the merchandise under investigation is sold at the retail level,

representative consumer organizations have the right to appear as parties in Commission antidumping and countervailing duty investigations. The Secretary will prepare a public service list containing the names and addresses of all persons, or their representatives, who are parties to the investigations.

#### Background

On November 21, 2003, petitions were filed with the Commission and Commerce by Nation Ford Chemical Co., Fort Mill, SC, and Sun Chemical Corp., Cincinnati, OH, alleging that an industry in the United States is materially injured and threatened with material injury by reason of subsidized imports of carbazole violet pigment 23 from India and LTFV imports of carbazole violet pigment 23 from China and India. Accordingly, effective November 21, 2003, the Commission instituted countervailing duty and antidumping investigations Nos. 701-TA-437 and 731-TA-1060 and 1061 (Preliminary).

Notice of the institution of the Commission's investigations and of a public conference to be held in connection therewith was given by posting copies of the notice in the Office of the Secretary, U.S. International Trade Commission, Washington, DC, and by publishing the notice in the **Federal Register** of November 28, 2003 (68 FR 66851). The conference was held in Washington, DC, on December 12, 2003, and all persons who requested the opportunity were permitted to appear in person or by counsel.

The Commission transmitted its determinations in these investigations to the Secretary of Commerce on January 5, 2004. The views of the Commission are contained in USITC Publication 3662 (January 2004), entitled Carbazole Violet Pigment 23 from China and India: Investigations Nos. 701-TA-437 and 731-TA-1060-1061 (Preliminary).

By order of the Commission.

Issued: January 7, 2004.
