[Docket No. RP03-77-000]

Reliant Energy Services, Inc., Complainant, v. Florida Gas Transmission Company, Respondent; Notice of Complaint and Request for Fast Track Processing

November 18, 2002.

Take notice that on November 15, 2002, Reliant Energy Services, Inc. (RES) filed a Complaint and Request for Fast Track Processing against Florida Gas Transmission Company (FGT) requesting that the Federal Energy Regulatory Commission (Commission) find that FGT is in violation of its tariff by demanding a letter of credit far in excess of that permitted by the creditworthiness provisions of FGT's tariff and excluding, on an unduly discriminatory basis in violation of sections 5 and 7 of the Natural Gas Act (NGA), RES from an expansion project unless RES posts a letter of credit far in excess of that permitted by the creditworthiness provisions of FGT's tariff. RES also contends that FGT has indicated an intention to build an expansion project that is inconsistent with its certificate authorization. RES requests that the Commission issue an order finding and declaring that FGT's notification to RES that FGT intends to terminate its contractual obligation to provide firm transportation service to RES through use of the Phase VI facilities is unduly discriminatory, in violation of FGT's tariff, the Commission's certificate issued to FGT for its phase VI Facilities expansion in Docket No. CP02-27-000, and the NGA.

A copy of the filing was served upon the Respondent.
