The Public Housing Financial Management template is the set of documents on which the Department collects financial information from Public Housing Agencies (PHAs). Pursuant to the Public Housing Assessment System (PHAS) regulation, PHAs annually submit both unaudited and audited financial information to the Department using the financial management template. In accordance with HUD regulatory requirements, PHAs enter the financial information on the template and electronically submit to HUD.

This notice also lists the following information:

*Title of Proposal:* Public Housing Financial Management Template.

*OMB Control Number:* 2535-0107.

*Description of the need for the information and proposed use:* The Uniform Financial Reporting Standards (UFRS) for HUD Housing Programs requires PHAs to submit financial data electronically, using Generally Accepted Accounting Principles (GAAP), in a prescribed format. The financial management template is that format. HUD uses the financial information it collects from PHAs to assist in the evaluation and assessment of the PHAs overall condition. Requiring PHAs to report electronically has enabled HUD to provide a more comprehensive assessment of the PHAs receiving Federal funds.
