k. *Description of Request:*

Appalachian is requesting approval of non-project uses of project lands for the proposals described below.

P-2210-091—Request for approval for Waterways Properties to install and operate within the project boundary two docks with a total of twenty-eight covered stationary slips and two floaters. The first dock would have 16 covered boat slips and two floaters. The second dock would have 12 boat slips. The docks and associated facilities will serve multi-family type dwellings and single family homes. Construction would take place along the Roanoke River at a development known as the Waterways. There is no dredging associated with the proposal.

P-2210-093—Request for approval for Pat Bailey of CB Rentals and Sales to install and operate one dock with eight stationary covered slips, and four floating slips plus two additional floaters. In addition, the existing dock will be modified to incorporate 8 jet ski lifts. Construction would take place along the Roanoke River at an area identified as CB Rental and Sales. The site is located off Virginia Route 122. No dredging will be needed.

P-2210-094—Request for approval for WHM Corporation to construct and operate twenty three stationary docks with a total of 296 covered boat slips and 6 boat docks with a total of 74 floating boat slips for a total of 370 boat slips. Construction would take place in the upper third of the Roanoke River at a site known as Bridgewater Bay. No dredging is proposed.
