

merchandise to the United States during the POI. In addition, those regulations require that the request for the new shipper review contain a certification that the exporter or producer has never been affiliated with any exporter or producer that exported subject merchandise to the United States during the POI. Moreover, those regulations further specify that, in an antidumping proceeding involving imports from a nonmarket economy country, the request for a new shipper review must also contain a certification that the export activities of the exporter or producer are not controlled by the central government.

As noted above, Dubao failed to identify the correct name of the exporter and producer of the subject merchandise for purposes of its required certifications. Therefore, we find it appropriate to rescind the new shipper review of Dubao based on its failure to provide the proper certifications pursuant to 19 CFR 351.214(b)(2).

Notification

Bonding is no longer permitted to fulfill security requirements for shipments from Dubao of honey from the PRC entered, or withdrawn from warehouse, for consumption in the United States on or after the publication of this rescission notice in the **Federal Register**.

This notice also serves as the only reminder to parties subject to administrative protective orders (APO) of their responsibility concerning the disposition of proprietary information disclosed under APO in accordance with 19 CFR 351.305(a)(3). Timely written notification of the return/destruction of APO material or conversion to judicial protective order is hereby requested. Failure to comply with the regulations and terms of an APO is a violation which is subject to sanctions.

We are issuing and publishing this determination and notice in accordance with sections 751(a)(2)(B)(iv) and 777(i) of the Tariff Act of 1930, as amended.

Background

The Department received a timely request from Wuhan Bee Healthy Co., Ltd. (Wuhan), in accordance with 19 CFR 351.214(c), for a new shipper review of the antidumping duty order on honey from the People's Republic of China (PRC), which has a December annual anniversary month and a June semiannual anniversary month. On July 31, 2002, the Department found that the request for review met all the regulatory requirements set forth in section 351.214(b) of the Department's regulations and initiated this new shipper antidumping review covering the period December 1, 2001, through May 31, 2002. preliminary results are currently due no later than January 27, 2003.

Extension of Time Limits for Preliminary Results

Pursuant to section 751(a)(2)(B) of the Act, the Department may extend the deadline for completion of the preliminary results of a new shipper review if it determines that the case is extraordinarily complicated. The Department has determined that this case is extraordinarily complicated, and the preliminary results of this new shipper review cannot be completed within the statutory time limit of 180 days. Specifically, a number of complex affiliation issues have been raised. The Department has issued supplemental questionnaires to collect additional information about these issues. In addition, we need more time to obtain additional information on sales and factors of production. Given the issues in this case, the Department finds that this case is extraordinarily complicated, and cannot be completed within the statutory time limit.

Accordingly, the Department is fully extending the time limit for the completion of the preliminary results by 300 days, to May 27, 2003, in accordance with section 751(a)(2)(B)(iv) of the Act and 351.214(i)(2) of the Department's regulations. The final results will in turn be due 90 days after the date of issuance of the preliminary results, unless extended.

Dated: January 23, 2003.

Joseph A. Spetrini,

Deputy Assistant Secretary for Import Administration, Group III.

SUMMARY: The Department of Commerce is extending the time limit for the preliminary results of the administrative review of the antidumping duty order on natural bristle paint brushes and brush heads from the People's Republic of China until no later than February 28, 2003. The period of review is February 1, 2001, through January 31, 2002. This

extension is made pursuant to section 751(a)(3)(A) of the Tariff Act of 1930, as amended.

EFFECTIVE DATE: January 30, 2003.

Douglas Kirby or Sean Carey, AD/CVD Enforcement, Import Administration, International Trade Administration, U.S. Department of Commerce, 14th Street and Constitution Avenue, NW., Washington, DC 20230; telephone: (202) 482-3782 or (202) 482-3964, respectively.

SUPPLEMENTARY INFORMATION:

Statutory Time Limits

Section 351.213(h)(1) of the Department's regulations requires the Department to issue the preliminary results of an administrative review within 245 days after the last day of the anniversary month of the order or suspension agreement for which the administrative review was requested, and final results of review within 120 days after the date on which notice of the preliminary results was published in the **Federal Register**. However, if the Department determines that it is not practicable to complete the review within this time period, section 351.213(h)(2) of the regulations allows the Department to extend the 245-day period to 365 days and may extend the 120-day period to 180 days.

Background

On February 1, 2002, the Department published a notice of opportunity to request an administrative review of the antidumping duty order on natural bristle paint bushes and brush heads from the People's Republic of China (PRC) (67 FR 4945). On February 28, 2002, the Department received a timely request from the Paint Applicator Division of the American Brush Manufacturers Association, the petitioner, for administrative reviews of Hunan Provincial Native Produce and Animal By-Products Import and Export Corporation (Hunan) and Hebei Founder Import and Export Company (Hebei). On March 27, 2002, the Department initiated an administrative review of the antidumping duty order on natural bristle paintbrushes, for the period from February 1, 2001, through January 31, 2002, in order to determine whether merchandise imported into the United States is being sold at less than fair value with respect to these two companies. See *Initiation of Antidumping and Countervailing Duty Administrative Review and Requests for Revocations in Part*, 67 FR 14696 (March 27, 2002).

On May 1, 2002, the Department issued antidumping questionnaires to Hebei and Hunan. In its reply to Section A of the questionnaire, Hebei stated that it had made no sales or shipments of subject merchandise to the United States during the POR. The Department also performed a U.S. Customs Service (Customs) query for entries of natural bristle paintbrushes and brush heads from the PRC during the POR. We found no entries or shipments from Hebei during the POR. Thus, the Department rescinded the review with respect to Hebei. See *Natural Bristle Paintbrushes From the People's Republic of China; Notice of Rescission, In Part, of Antidumping Administrative Review*, 67 FR 58018 (September 13, 2002). On November 1, the Department extended the preliminary results of the review of Hunan by 84 days, until January 23, 2003 (67 FR 66614).

Pursuant to section 751(a)(3)(A) of the Act, the Department may extend the deadline for completion of the preliminary results of an administrative review if it determines that it is not practicable to complete the review within the time specified in section 351.213(h)(2) of the Department's regulations. The Department has determined that the preliminary results of this administrative review cannot be completed within the statutory time limit of 245 days. The Department finds that it is not practicable to complete the preliminary results of this administrative review because there are a number of issues that must be addressed, including analysis of recently submitted supplemental questionnaire responses. Therefore, in accordance with section 351.213(h)(2) of the Department's regulations, the Department is extending the time limit for the completion of preliminary results by an additional 36 days. The preliminary results will now be due no later than February 28, 2003. The final results continue to be done within 120 days of the preliminary results.

This notice is published pursuant to sections 751(a)(3)(A) and 777(i)(1) of the Act.

Dated: January 23, 2003.

Joseph A. Spetrini,

Deputy Assistant Secretary for Import Administration, Group III.
