Sankar N. Banerjee, M.D.; Revocation of Registration

On April 9, 2002, the Deputy Assistant Administrator, Office of Diversion Control, Drug Enforcement Administration (DEA), issued an Order to Show Cause to Sankar N. Banerjee, M.D. (Dr. Banerjee) of Exeter, New Hampshire, notifying him of an opportunity to show cause as to why DEA should not revoke his DEA Certificate of Registration, AB2002436 under 21 U.S.C. 824(a), and deny any pending applications for renewal or modification of that registration. As a basis for revocation, the Order to Show Cause alleged that Dr. Banerjee is not currently authorized to handle controlled substances in New Hampshire, the state in which he practices. The order also notified Dr. Banerjee that should no request for a hearing be filed within 30 days, his hearing right would be deemed waived.

The Order to Show Cause was sent by certified mail to Dr. Banerjee at his registered location in Exeter, New Hampshire. DEA received a signed receipt indicating that the Order to Show Cause was received by Dr. Banerjee on April 29, 2002. DEA has not received a request for hearing or any other reply from Dr. Banerjee or anyone purporting to represent him in this matter. Therefore, the Deputy Administrator, finding that (1) 30 days have passed since the receipt of the Order to Show Cause, and (2) no request for a hearing having been received, concludes that Dr. Banerjee is deemed to have waived his hearing right. After considering material from the investigative file in this matter, the Deputy Administrator now enters his final order without a hearing pursuant to 21 CFR 1301.43(d) and (e) and 1301.46.

The Deputy Administrator finds that Dr. Banerjee possessed DEA Certificate of Registration AB2002436. The Deputy Administrator further finds that an investigation by DEA revealed that on May 25, 2001, the New Hampshire Board of Medicine suspended Dr. Banerjee's license to practice medicine in New Hampshire.

DEA does not have statutory authority under the Controlled Substances Act to issue or maintain a registration if the applicant or registrant is without state authority to handle controlled substances in the state in which he conducts business. See 21 U.S.C. 802(21), 823(f) and 824(a)(3). This prerequisite has been consistently upheld. See *Muttaiya Darmarajeh, M.D.*, 66 FR 52936 (2001); *Dominick A. Ricci, M.D.*, 58 FR 51104 (1993); *Bobby Watts, M.D.*, 53 FR 11919 (1988).

Here, it is clear that Dr. Banerjee is not licensed to handle controlled substances in the State of New Hampshire, where he is registered with DEA. Therefore, he is not entitled to a DEA registration in that state.

Accordingly, the Deputy Administrator of the Drug Enforcement Administration, pursuant to the authority vested in him by 21 U.S.C. 823 and 824 and 28 CFR 0.100(b) and 0.104, hereby orders that DEA Certificate of Registration AB2002436, issued to Sankar N. Banerjee, M.D. be, and it hereby is, revoked. The Deputy Administrator further orders that any pending applications for renewal or modification of such registration be, and they hereby are, denied. This order is effective June 16, 2003.

Dated: April 23, 2003.

John B. Brown III,

Deputy Administrator.

Manufacturer of Controlled Substances Notice of Registration

By Notice dated January 6, 2003, and published in the **Federal Register** on January 28, 2003, (68 FR 4233), Bristol-Myers Squibb Pharma Company, 1000 Stewart Avenue, Garden City, New York 11530, made application by renewal to the Drug Enforcement Administration to be registered as a bulk manufacturer of the basic classes of controlled substances listed below:

Drug	Schedule
Oxycodone (9143)	II

Drug	Schedule
Hydrocodone (9193)	II
Oxymorphone (9652)	II

The firm plans to manufacture the controlled substances to make finished products.

No comments or objections have been received. DEA has considered the factors in Title 21, United States Code, Section 823(a) and determined that the registration of Bristol-Myers Squibb Pharma Company to manufacture the listed controlled substances is consistent with the public interest at this time. DEA has investigated Bristol-Myers Squibb Pharma Company to ensure that the company's registration is consistent with the public interest. The investigation included inspection and testing of the company's physical security systems, verification of the company's compliance with state and local laws, and a review of the company's background and history. Therefore, pursuant to 21 U.S.C. § 823 and 28 CFR §§ 0.100 and 0.104, the Deputy Assistant Administrator, Office of Diversion Control, hereby orders that the application submitted by the above firm for registration as a bulk manufacturer of the basic classes of controlled substances listed above is granted.

Dated: April 16, 2003.

Laura M. Nagel,

Deputy Assistant Administrator, Office of Diversion Control, Drug Enforcement Administration.
