

PUBLIC NOTICE

The Department of Human Services, Division of Medical Assistance Programs (DMAP) will reimburse qualifying acute care teaching hospitals for Direct and Indirect Medical Education costs. Reimbursement for these costs will be effective for dates of service beginning on July 1, 2008, pending approval from the Centers for Medicare and Medicaid Services (CMS).

As required, DMAP will submit to CMS a State Plan Amendment proposal requesting approval for the above.

Copies of the State Plan Amendment proposal are available. Contact:
