United States Warehouse Act—Official Media for Public Notification

AGENCY: Farm Service Agency, USDA.

ACTION: Notice.

SUMMARY: This notice announces an official media system for all public notification of important amendments, notices, actions, issues, and activities regarding the United States Warehouse Act (USWA). Background

The Secretary of Agriculture has the authority to make available public information as deemed appropriate for interested parties. The FSA is designating a single website for this type of information to enhance the public's awareness of the activities and functions of the USWA. The following site has been designated as the USWA's official website where all USWA public information can be found: <http://www.fsa.usda.gov/daco/uswa.htm>.

Also, starting in April 2003, FSA's Kansas City Commodity Office (KCCO) stopped mailing hard copies of public notices and USWA notices to the warehouse trade. To replace the mailing of hard copies, when notices are posted to USWA's official website KCCO will automatically e-mail them to everyone who has enrolled at <http://www.fsa.usda.gov/daco/subscribe.asp>.
