Also pursuant to the ATC, and under the terms of the Special Access Program, as set forth in 63 FR 16474 (April 3, 1998), effective on January 1, 2004, you are directed to establish guaranteed access levels for properly certified textile products in the following categories which are assembled in the Dominican Republic from fabric formed and cut in the United States and re-exported to the United States from the Dominican Republic during the period January 1, 2004 through December 31, 2004:
