DELAWARE RIVER BASIN COMMISSION

Notice of Public Hearing; Proposal To Revise the Fee Schedule for the Review of Projects Under Section 3.8 and Article 10 of the Delaware River Basin Compact

AGENCY: Delaware River Basin Commission.

ACTION: Notice of public meeting.

SUMMARY: The Commission will hold a public hearing and solicit comment on proposed changes to the fee schedule for the review of projects under Section 3.8 and Article 10 of the Delaware River Basin Compact. The Commission instituted project review fees in 1972, in order to allocate to applicants a portion of the cost of reviewing water resource projects. The fees, which are paid to the

Commission at the time applications are filed, were increased only once, in 1991, and have not been revised since.

The substantive revisions include the following: Instituting filing fees for projects sponsored by political subdivisions of the basin states; for public projects costing less than \$250,000, charging a fee of \$250; for privately sponsored projects costing \$250,000 or less, increasing the fee from \$250 to \$500; for projects costing from \$250,001 to \$10,000,000, increasing the fee from 0.1 to 0.2 percent of project cost; and for projects costing over \$10,000,000, increasing the fee from 0.04 to 0.06 percent of project cost, not to exceed \$50,000. In addition, the surcharge for any project resulting in an out-of-basin diversion is proposed to be increased from 50 percent to double the fee calculated in accordance with the foregoing. The method of calculating project costs is proposed to remain unchanged. New fees are proposed to be instituted for two types of actions: (1) A fee of \$5,000 is proposed for a request for an emergency certificate under Section 2.3.9B of the Commission's Rules of Practice and Procedure to waive or amend a docket condition; and (2) a fee of \$500 is proposed for the transfer of a docket upon a change of ownership as defined in Resolution No. 87-15. In all cases, if the fixed fee or fee calculated in accordance with the prescribed formulas is deemed by the executive director to be insufficient due to exceptional costs associated with Commission review, it is proposed that the Commission may charge the applicant 100 percent of all costs deemed by the executive director to be exceptional. The revised fee schedule is proposed to become effective on July 1, 2003 for all applications submitted on or after July 1, 2003.

DATES: The public hearing will be held on June 26, 2003 during the Commission's regular business meeting, which will begin at 1 p.m. The hearing will continue until all those present who wish to testify are afforded an opportunity to do so. Persons wishing to testify are asked to register in advance with the Commission Secretary, by phoning 609-883-9500 x203. Written comments will be accepted through the close of the public hearing.

ADDRESSES: The public hearing will be held at the Commission's offices at 25 State Police Drive in West Trenton, New Jersey. Directions are posted on the Commission's Web site at <http://www.drbc.net>. Written comments may be submitted electronically to fees@drbc.state.nj.us, with a subject line reading "FEES," or in hard copy to the

Commission Secretary, DRBC, PO Box 7360, West Trenton, NJ 08628-0360. The full name, street or post office address, and telephone number for the entity or individual submitting the comment must appear on all submissions.

Dated: May 12, 2003.

DEPARTMENT OF EDUCATION

AGENCY: Department of Education.

SUMMARY: The Leader, Regulatory Management Group, Office of the Chief Information Officer, invites comments on the proposed information collection requests as required by the Paperwork Reduction Act of 1995.

DATES: Interested persons are invited to submit comments on or before July 15, 2003.

SUPPLEMENTARY INFORMATION: Section 3506 of the Paperwork Reduction Act of 1995 (44 U.S.C. Chapter 35) requires that the Office of Management and Budget (OMB) provide interested Federal agencies and the public an early opportunity to comment on information collection requests. OMB may amend or waive the requirement for public consultation to the extent that public participation in the approval process would defeat the purpose of the information collection, violate State or Federal law, or substantially interfere with any agency's ability to perform its statutory obligations. The Leader, Regulatory Management Group, Office of the Chief Information Officer, publishes that notice containing proposed information collection requests prior to submission of these requests to OMB. Each proposed information collection, grouped by office, contains the following: (1) Type of review requested, *e.g.*, new, revision,

extension, existing or reinstatement; (2) Title; (3) Summary of the collection; (4) Description of the need for, and proposed use of, the information; (5) Respondents and frequency of collection; and (6) Reporting and/or Recordkeeping burden. OMB invites public comment.

The Department of Education is especially interested in public comment addressing the following issues: (1) Is this collection necessary to the proper functions of the Department; (2) will this information be processed and used in a timely manner; (3) is the estimate of burden accurate; (4) how might the Department enhance the quality, utility, and clarity of the information to be collected; and (5) how might the Department minimize the burden of this collection on the respondents, including through the use of information technology.

Dated: May 8, 2003.
