

information are encouraged. Your comments should address one or more of the following four points:

- Evaluate whether the proposed collection of information is necessary for the proper performance of the function of the agency, including whether the information will have practical utility.
- Evaluate the accuracy of the agency's estimate of the burden of the proposed collection of information, including the validity of the methodology and assumptions used.
- Enhance the quality, utility, and clarity of the information to be collected.
- Minimize the burden of the collection of information on those who are to respond, including through the use of appropriate automated, electronic, mechanical, or other technological collection techniques or other forms of information technology, e.g., permitting electronic submission of responses.

Overview of this information:

(1) Type of information collection: Revision of currently approved collection.

(2) The title of the form/collection: Local Law Enforcement Block Grant Program.

(3) The agency form number, if any, and the applicable component of the Department sponsoring the collection: Form Number: None, Bureau of Justice Assistance, Office of Justice Programs, Department of Justice.

(4) Affected public who will be asked or required to respond, as well as a brief abstract. Primary: State, local, or tribal governments. Other: None. Abstract: The Local Government Law Enforcement Block Grants Act of 1995 authorizes the Director of the Bureau of Justice Assistance to make funds available to local units of government in order to reduce crime and improve public safety. Federal funds are allocated by a formula based on Part I Violent Crimes as reported in the Federal Bureau of Investigation's Uniform Crime Reports.

(5) An estimate of the total number of respondents and the amount of time estimated for an average respondent to respond/reply: There are approximately 3,000 respondents who will request LLEBG grant funds by completing the no more than 30-minute online process.

(6) An estimate of the total public burden (in hours) associated with the collection: The total annual public burden hours for this information collection is estimated to be 763 hours.

Alcoa Composition Foils, Pevely, MO; Notice of Termination of Investigation

Pursuant to section 221 of the Trade Act of 1974, as amended, an investigation was initiated on October 1, 2003 in response to a worker petition filed on behalf of workers at Alcoa Composition Foils, Pevely, Missouri. The facility shut down March 31, 2003.

The Department issued a negative determination applicable to the petitioning group of workers on April 28, 2003 (TA-W-50,823). That determination was upheld upon reconsideration in a decision rendered July 25, 2003. No new information or change in circumstances is evident which would result in a reversal of the Department's previous determinations. Consequently, further investigation would serve no purpose, and the investigation has been terminated.

Signed at Washington, DC, this 12th day of November, 2003.

Linda G. Poole,

Certifying Officer, Division of Trade Adjustment Assistance.

Fishing Vessel (F/V) Lady Sandra, Valdez, AK; Notice of Termination of Investigation

Pursuant to section 221 of the Trade Act of 1974, as amended, an investigation was initiated on October 29, 2003 in response to a petition filed by a company official on behalf of workers of F/V Lady Sandra, Ketchikan, Alaska.

The investigation revealed that the subject firm did not separate or threaten to separate a significant number or proportion of workers as required by section 222 of the Trade Act of 1974. Significant number or proportion of the workers means that at least three

workers in a firm with a workforce of fewer than 50 workers would have to be affected. Separations by the subject firm did not meet this threshold level; consequently the investigation has been terminated.

Signed at Washington, DC, this 12th day of November, 2003.
