DEPARTMENT OF COMMERCE

Submission for OMB Review; Comment Request

The Department of Commerce (DOC) has submitted to the Office of Management and Budget (OMB) for clearance the following proposal for collection of information under provisions of the Paperwork Reduction Act (44 U.S.C. Chapter 35).

AGENCY: Bureau of Industry and Security (BIS).

Title: Import Certificates, End-User Certificates, and Delivery Verification Procedures.

Agency Form Number: None.

OMB Approval Number: New.

Type of Request: New collection.

Burden: 1,968 hours.

Average Time Per Response: 15 to 30 minutes per response.

Number of Respondents: 6,420

respondents.

Needs and Uses: Import or End-User Certificates are an undertaking by the government of the country of ultimate destination (the issuing government) to exercise legal control over the disposition of the items covered by the importer (ultimate consignee or purchaser) and transmitted to the exporter (applicant). The control exercised by the government issuing the Import or End-User Certificate is in addition to the conditions and restrictions placed on the transaction by BIS. This collection of information also contains recordkeeping and reporting requirements that involve Import or End-user Certificates as supporting documentation accompanying an application for an export license (approved by OMB under control no. 0694-0088). Another reporting requirement allows exporters to request an exception to the imports certificate (or its equivalent) procedure. This reporting requirement also covers requests for exceptions to the delivery verification procedure.

Affected Public: Individuals, businesses or other for-profit institutions.

Respondent's Obligation: Required to obtain or retain benefits.

OMB Desk Officer: David Rostker.

Copies of the above information collection proposal can be obtained by calling or writing Diana Hynek, DOC Paperwork Clearance Officer, (202) 482-0266, Department of Commerce, Room 6625, 14th and Constitution Avenue, NW., Washington, DC 20230.

Written comments and recommendations for the proposed information collection should be sent within 30 days of publication of this notice to David Rostker, OMB Desk Officer, Room 10202, New Executive Office Building, Washington, DC 20230.

Dated: October 30, 2003.

SUPPLEMENTARY INFORMATION:

Background

On December 30, 2002, the Department received a request for a new shipper review of the antidumping duty order on certain cased pencils from the PRC from Beijing Dixon, an exporter and producer of subject merchandise. Beijing Dixon's request appeared to include the relevant documentation and certifications required by section 351.214(b) of the Department's regulations. Pursuant to section 351.214(b)(2)(i) of the Department's regulations, Beijing Dixon certified that it did not export subject merchandise to the United States during the period of investigation (POI). Pursuant to sections 351.214(b)(2)(iii)(A) and (B) of the Department's regulations, Beijing Dixon also certified that it has never been affiliated with any producer or exporter who exported the subject merchandise to the United States during the POI, and that its export activities are not controlled by the PRC central government. Further, pursuant to section 351.214(b)(2)(iv) of the Department's regulations, Beijing Dixon provided documentation purporting to establish the date of its first U.S. entry of the subject merchandise, the volume of that and subsequent shipments, and the date of the first sale to an unaffiliated customer in the United States.

On January 28, 2003, the Department initiated a new shipper review of Beijing Dixon covering the period December 1, 2001 through November 30, 2002. *See New Shipper Initiation*. The Department issued an antidumping questionnaire to Beijing Dixon on
