

having been received, concludes that Dr. Walker-Graham is deemed to have waived her hearing right. After considering material from the investigative file in this matter, the Deputy Administrator now enters his final order without a hearing pursuant to 21 CFR 1301.43(d) and (e) and 1301.46.

The Deputy Administrator finds that on June 14, 2000, the State Medical Board of Ohio (Board) entered an order permanently revoking Dr. Walker-Graham's State license to practice medicine and surgery. The Board's action arose in part from a finding that Dr. Walker-Graham dispensed phentermine (A Schedule IV controlled substance) to numerous individuals for no legitimate medical purpose. Included among the individuals that received controlled substances from Dr. Walker-Graham were several undercover officers from a local investigations unit know as the Combined Agencies for Narcotics Enforcement or the CANF Task Force. The Board's investigation revealed that on numerous occasions, Dr. Walker-Graham dispensed these drugs without performing a medical examination. The Board's ruling was also based in part upon an accountability audit conducted by the Ohio State Board of Pharmacy which revealed that Dr. Walker-Graham could not account for significant shortages of phentermine that was used in her medical practice from January 1, 1997 through November 4, 1998. As part of the Board's revocation order, Dr. Walker-Graham was further ordered to immediately cease prescribing, dispensing, or administering controlled substances.

The Deputy Administrator's review of the investigative file further reveals that on January 10, 2001, Dr. Walker-Graham was convicted on felony charges related to drug trafficking, sale of dangerous drugs and drug possession. She was sentenced five years of court supervised probation, her driver's license was suspended and she was ordered to pay a fine.

There is no evidence before the Deputy Administrator that Dr. Walker-Graham's license to practice medicine in the State of Ohio has been reinstated. The Deputy Administrator further notes that the Board's revocation order prohibits Dr. Walker-Graham from prescribing, dispensing, or administering controlled substances.

Pursuant to 21 U.S.C. 824(a), the Deputy Administrator may revoke a DEA Certificate of Registration if he finds that the registrant has been convicted of a felony related to controlled substances, has had his State

license revoked and is no longer authorized to dispense controlled substances or has committed such acts as would render his registration contrary to the public interest as determined by factors listed in 21 U.S.C. 823(f). Thomas B. Pelkowski, D.D.S., 57 FR 28538 (1992). Despite Dr. Walker-Graham's felony conviction related to controlled substances, as well as the other public interest factors for the revocation of her DEA registration asserted herein, the more relevant consideration here is the present status of her State authorization to handle controlled substances.

DEA does not have statutory authority under the Controlled Substances Act to issue or maintain a registration if the applicant or registrant is without State authority to handle controlled substances in the State in which he conducts business. See 21 U.S.C. 802(21), 823(f) and 824(a)(3). This prerequisite has been consistently upheld. See Joseph Thomas Allevi, M.D., 67 FR 35581 (2002); Dominick A. Ricci, M.D., 58 FR 51104 (1993); Bobby Watts, M.D., 53 FR 11919 (1988).

Here, it is clear that Dr. Walker-Graham is not licensed to handle controlled substances in Ohio, where she is registered with DEA. Therefore, she is not entitled to maintain that registration. Because Dr. Walker-Graham lacks State authorization to handle controlled substances, the Deputy Administrator concludes that it is unnecessary to address whether her DEA registration should be revoked based upon the public interest grounds asserted in the Order to Show Cause, or whether her registration should be revoked based upon the aforementioned felony conviction in the State of Ohio. See Samuel Silas Jackson, D.D.S., 67 FR 65145 (2002); National-Aikens-Afful, M.D., 62 FR 16871 (1997); Sam F. Moore, D.V.M., 58 FR 14428 (1993).

Accordingly, the Deputy Administrator of the Drug Enforcement Administration, pursuant to the authority vested in him by 21 U.S.C. 823 and 824 and 28 CFR 0.100(b) and 0.104, hereby orders that DEA Certificate of Registration, BW2846256, issued to Fereida Walker-Graham, M.D., be, and it hereby is, revoked. The Deputy Administrator further orders that any pending applications for renewal or modification of such registration be, and they hereby are, denied. This order is effective June 9, 2003.

Dated: April 21, 2003.

John B. Brown, III,

Deputy Administrator.

(3) *Agency form number, if any, and the applicable component of the Department of Justice sponsoring the collection:* Form Number: None. U.S. Department of Justice, Office on Violence Against Women.

(4) *Affected public who will be asked or required to respond, as well as a brief abstract:* Primary: The affected public includes the approximately 200 grantees of the Legal Assistance for Victims Grant Program (LAV Program) whose eligibility is determined by statute. In the Violence Against Women Act of 2000, Congress statutorily authorized the Legal Assistance for Victims Grant Program (LAV Program). 42 U.S.C. 3796gg-6. The LAV Program is intended to increase the availability of legal assistance necessary to provide effective aid to victims of domestic violence, stalking, or sexual assault who are seeking relief in legal matters arising as a consequence of that abuse or violence. The LAV Program awards grants to law school legal clinics, legal aid or legal services programs, domestic violence victims' shelters, bar associations, sexual assault programs, private nonprofit entities, and Indian tribal governments. These grants are for providing direct legal services to victims of domestic violence, sexual assault, and stalking in matters arising from the abuse or violence and for providing enhanced training for lawyers representing these victims. An LAV Program grantee will only be required to complete the

sections of the form that pertain to its own specific activities.

(6) An estimate of the total public burden (in hours) associated with the collection: The total annual hour burden to complete the data collection forms is 400 hours, that is 200 grantees completing a form twice a year with an estimated completion time for the form being one hour.
