

making. This filing is considered a "Comment on Filing."

When Sonora submits its application for authorization to construct and operate the Burgos Hub Expansion Project, the Commission will publish a Notice of Application in the **Federal Register** and will establish a deadline for interested persons to intervene in the proceeding. Because the Commission's Pre-filing Process occurs before an application to begin a proceeding is officially filed, petitions to intervene during this process are premature and will not be accepted by the Commission.

Site Visit

On July 14, 2005, the OEP staff will conduct a pre-certification site visit of the planned Burgos Hub Export/Import Project.

We will view the proposed route and variations that are being considered for the planned pipeline. Examination will be by automobile and on foot. Representatives of Sonora will be accompanying the OEP staff.

All interested parties may attend. Those planning to attend must provide their own transportation. Those interested in attending the site visit should meet at 9 a.m. in parking lot of the Renaissance Casa De Palmas Hotel, 101 N. Main Street McAllen, Texas. You may have also been notified by Sonora that it plans on holding an Open House that evening, at the Renaissance Casa De Palmas Hotel in McAllen, Texas at 6:30 p.m.

For additional information, please contact the Commission's Office of External Affairs at 1-866-208-FERC (3372).
