SECURITIES AND EXCHANGE COMMISSION

Proposed Collection; Comment Request

- Upon written request, copies available from: Securities and Exchange Commission, Office of Filings and Information Services, Washington, DC 20549.
- Extension: Regulation D and Form D; OMB Control No. 3235–0076; SEC File No. 270–72.

Notice is hereby given that, pursuant to the Paperwork Reduction Act of 1995 (44 U.S.C. 3501 *et seq.*), the Securities and Exchange Commission ("Commission") is soliciting comments on the collection of information summarized below. The Commission plans to submit this existing collection of information to the Office of Management and Budget for extension and approval.

Regulation D sets forth rules governing the limited offer and sale of securities without Securities Act registration. The purpose of Form D notice is to collect empirical data, which provides a continuing basis for action by the Commission either in terms of amending existing rules and regulations or proposing new ones. In addition, the Form D allows the Commission to elicit information necessary in assessing the effectiveness of Regulation D and Section 4(6) as capital-raising devices for all businesses. Approximately 17,500 issuers file Form D and it takes an estimated 4 hours to prepare for a total annual burden of 70,000 hours. It is estimated that 25% of the total burden hours (17.500 reporting burden hours) is prepared by the company.

Written comments are invited on: (a) Whether this collection of information is necessary for the proper performance of the functions of the agency, including whether the information will have practical utility; (b) the accuracy of the agency's estimate of the burden of the collection of information; (c) ways to enhance the quality, utility, and clarity of the information collected; and (d) ways to minimize the burden of the collection of information on respondents, including through the use of automated collection techniques or other forms of information technology. Consideration will be given to comments and suggestions submitted in writing within 60 days of this publication.

Please direct your written comments to R. Corey Booth, Director/Chief Information Officer, Office of Information Technology, Securities and Exchange Commission, 450 Fifth Street, NW., Washington, DC 20549.
