

have remained essentially the same as those of Ispat.

Mittal has requested that the Department initiate an expedited review pursuant to section 751(b) of the Act and 19 CFR 351.221(c)(3)(iii). However, because it is the Department's practice to examine changes in management and customer base as part of its analysis in such a determination, and Mittal has not addressed these factors, we are denying its request to conduct the changed circumstances review on an expedited basis.

The Department will publish in the **Federal Register** a notice of preliminary results of changed circumstances review, in accordance with 19 CFR 351.221(c)(3)(i) (2004), which will set forth the factual and legal conclusions upon which our preliminary results are based, and a description of any action proposed based on those results. Interested parties may submit comments for consideration in the Department's preliminary results not later than 60 days after publication of this notice. Responses to those comments may be submitted not later than 10 days following submission of the comments. All written comments must be submitted in accordance with 19 CFR 351.303 (2004), and must be served on all interested parties on the Department's service list in accordance with 19 CFR 351.303(f) (2004). The Department will issue its final results of review within 270 days after the date on which the changed circumstances review is initiated, in accordance with 19 CFR 351.216(e) (2004), and will publish these results in the **Federal Register**.

The current requirement for a cash deposit of estimated antidumping duties on all subject merchandise will continue unless and until it is modified pursuant to the final results of this changed circumstances review.

This notice is in accordance with sections 751(b)(1) of the Act and 19 CFR 351.216 and 351.222 of the Department's regulations.

#### SUPPLEMENTARY INFORMATION:

##### Background

On October 18, 2004, Shakeproof, in accordance with 19 CFR 351.213(b), requested an administrative review of the antidumping duty order on helical spring lock washers from the PRC. On November 19, 2004, in accordance with 19 CFR 351.221(c)(1)(i), we initiated an administrative review of this order for the period October 1, 2003, through September 30, 2004. *See Notice of Initiation of Antidumping and Countervailing Duty Administrative Reviews*, 69 FR 67701. On January 31, 2005, Shakeproof withdrew its request for this review.

## Rescission of Review

The Department's regulations at 19 CFR 351.213(d)(1) provide that the Department will rescind an administrative review if the party that requested the review withdraws its request for review within 90 days of the date of publication of the notice of initiation of the requested review, or withdraws its request at a later date if the Department determines that it is reasonable to extend the time limit for withdrawing the request. Shakeproof was the only party to request this review and it withdrew its request within the 90-day period. Accordingly, this review is rescinded. The Department will issue appropriate assessment instructions directly to U.S. Customs and Border Protection within 15 days of publication of these final results of review.

Timely written notification of the return/destruction of APO materials or conversion to judicial protective order is hereby requested.
