FEDERAL COMMUNICATIONS COMMISSION

Notice of Public Information Collection(s) Being Reviewed by the Federal Communications Commission for Extension Under Delegated Authority

March 7, 2005.

SUMMARY: The Federal Communications Commission, as part of its continuing effort to reduce paperwork burden invites the general public and other Federal agencies to take this opportunity to comment on the following information collection(s), as required by the Paperwork Reduction

Act (PRA) of 1995, Public Law 104-13. An agency may not conduct or sponsor a collection of information unless it displays a currently valid control number. No person shall be subject to any penalty for failing to comply with a collection of information subject to the Paperwork Reduction Act that does not display a valid control number.

Comments are requested concerning (a) whether the proposed collection of information is necessary for the proper performance of the functions of the Commission, including whether the information shall have practical utility; (b) the accuracy of the Commission's burden estimate; (c) ways to enhance the quality, utility, and clarity of the information collected; and (d) ways to minimize the burden of the collection of information on the respondents, including the use of automated collection techniques or other forms of information technology.

DATES: Written Paperwork Reduction Act (PRA) comments should be submitted on or before May 16, 2005. If you anticipate that you will be submitting comments, but find it difficult to do so within the period of time allowed by this notice, you should advise the contact listed below as soon as possible.

ADDRESSES: Direct all Paperwork Reduction Act (PRA) comments to Cathy Williams, Federal Communications Commission, Room 1-C823, 445 12th Street, SW., Washington, DC 20554 or via the Internet to Cathy.Williams@fcc.gov.

FOR FURTHER INFORMATION CONTACT: For additional information or copies of the information collection(s), contact Cathy Williams at (202) 418-2918 or via the Internet at Cathy.Williams@fcc.gov.

SUPPLEMENTARY INFORMATION: *OMB Control Number:* 3060-0248.

Title: Section 74.751, Modification of Transmission Systems.

Form Number: Not applicable.

Type of Review: Extension of a currently approved collection.

Respondents: Business or other for-profit entities; not-for-profit institutions; State, Local or Tribal Government.

Number of Respondents: 400.

Estimated Time per Response: 0.50 hours.

Frequency of Response: On occasion reporting requirement; Recordkeeping requirement.

Total Annual Burden: 200 hours.

Total Annual Cost: None.

Privacy Impact Assessment: No impact(s).

Needs and Uses: 47 CFR 74.751(c) requires licensees of low power TV or TV translator stations to send written

notification to the FCC of equipment changes which may be made at licensee's discretion without the use of a formal application. Section 74.751(d) requires that licensees of low power TV or TV translator stations place in the station records a certification that the installation of new or replacement transmitting equipment complies in all respects with the technical requirements of this section and the station authorization. The notifications and certifications of equipment changes are used by FCC staff to assure that the equipment changes made are in full compliance with the technical requirements of this section and the station authorizations and will not cause interference to other authorized stations. 47 CFR 74.751(c) was amended as a result of the reorganization of the Cable Services Bureau and the Mass Media Bureau and the establishment of the Media Bureau. In the *Order*, DA 02-577, In the Matter of Establishment of the Media Bureau and Other Organizational Changes, released March 14, 2002, certain editorial changes were necessary to conform the rules in Part 74 of the Code of Federal Regulations with the new name of the Media Bureau. Other than the editorial changes to the new name, Media Bureau, there was no impact on the rule itself.
