

services produced or provided by these entities, other than information or informational materials within the meaning of section 203(b)(3) of the International Emergency Economic Powers Act (50 U.S.C. 1702(b)(3)).

These measures shall be implemented by the responsible departments and agencies as provided in Executive Order 12938.

In addition, pursuant to section 126.7(a)(1) of the International Traffic in Arms Regulations, it is deemed that suspending the above-named entities from participating in any activities subject to Section 38 of the Arms Export Control Act would be in furtherance of the national security and foreign policy of the United States. Therefore, for two years, the Department of State is hereby suspending all licenses and other approvals for: (a) Exports and other transfers of defense articles and defense services from the United States; (b) transfers of U.S.-origin defense articles and defense services from foreign destinations; and (c) temporary import of defense articles to or from the above-named entities.

Moreover, it is the policy of the United States to deny licenses and other approvals for exports and temporary imports of defense articles and defense services destined for these entities.
