Description: Section 303(a)(6), SSA, requires, as a condition of receiving administrative grants, that state law contain provision for the "making of such reports, in such form and containing such information, as the Secretary of Labor may from time to time require, and compliance with such provisions as the Secretary of Labor may from time to time find necessary to ensure the correctness and verification of such reports." Departmental regulations at 20 CFR 601.3 in part implement this requirement by requiring the submission of "all relevant state materials, such as statutes, executive and administrative orders, legal opinions, rules, regulations, interpretations, court opinions, etc. * * *" Also, the regulations for the UC for Federal Civilian Employees (UCFE) program at 20 CFR 609.1(d)(1) and for the UC for ex-service members (UCX) program at 20 CFR 614.1(d)(1) require submission of certain documents to assure that states are properly administering these programs. The Trade Adjustment Assistance (which includes Trade Readjustment Allowances) program (TAA/TRA) regulations provide similar requirements at 20 CFR 617.52(c)(1).

The MA 8-7 is the mechanism for implementing these submittal requirements, the purpose of which is to provide the Secretary with sufficient information to determine if (a) employers in a state qualify for tax credits under the Federal Unemployment Tax Act; (b) the state meets the requirements for obtaining administrative grants under Title III, SSA; and (c) the state is fulfilling its obligations under Federal UC programs.

Departmental Clearance Officer/Team Leader.

Caraustar Industries, York Carton Plant; York, PA; Amended Certification Regarding Eligibility To Apply for Worker Adjustment Assistance and Alternative Trade Adjustment Assistance

In accordance with Section 223 of the Trade Act of 1974 (19 U.S.C. 2273), and Section 246 of the Trade Act of 1974 (26 U.S.C. 2813), as amended, the Department of Labor issued a Certification of Eligibility to Apply for Worker Adjustment Assistance and Alternative Trade Adjustment Assistance on February 14, 2007, applicable to workers of Caraustar Custom Packaging Group, Inc., Austell, Georgia. The notice was published in the **Federal Register** on February 27, 2007 (72 FR 8794).

At the request of the State agency, the Department reviewed the certification for workers of the subject firm. The workers are engaged in the production of folding cartons.

New information shows that the correct name and location of the subject firm should read Caraustar Industries, York Carton Plant, York, Pennsylvania.

Caraustar Custom Packaging Group, Inc., Austell, Georgia, the parent firm of Caraustar Industries, was inadvertently stated as the subject firm of this investigation in the original certification and is not the subject firm of this investigation.

The investigation that was conducted was correctly conducted on behalf of the workers of Caraustar Industries, York Carton Plant, York, Pennsylvania.

Accordingly, the Department is amending this certification to correct the subject firm name, city and State.

The intent of the Department's certification is to include all workers of Caraustar Industries, York Carton Plant who were adversely affected by customer imports.

The amended notice applicable to TA-W-60,709 is hereby issued as follows:

All workers of Caraustar Industries, York Carton Plant, York, Pennsylvania, who became totally or partially separated from employment on or after December 20, 2005 through February 14, 2009, are eligible to apply for adjustment assistance under Section 223 of the Trade Act of 1974, and are also eligible to apply for alternative trade adjustment assistance under Section 246 of the Trade Act of 1974.
