2. Statutory Basis

The Exchange believes that its proposal to amend its schedule of fees is consistent with Section 6(b) of the Act⁸ in general, and furthers the objectives of Section 6(b)(5)⁹ in particular in that it is designed to prevent fraudulent and manipulative acts and practices, to promote just and equitable principals of trade, to foster cooperation and coordination with persons engaged in facilitating transactions in securities, and to remove the impediments to and perfect the mechanism of a free and open market and a national market system. Finally, the proposed rule change furthers the objectives of Section 6(b)(4) of the Act¹⁰ in particular, in that it is an equitable allocation of reasonable fees and other charges among Exchange members.

B. Self-Regulatory Organization's Statement on Burden on Competition

The Phlx does not believe that the proposed rule change will impose any burden on competition not necessary or appropriate in furtherance of the purposes of the Act.

No written comments were either solicited or received.
