

Commission finds that the proposed rule change is consistent with section 6(b)(4) of the Act,<sup>13</sup> which requires that the rules of the Exchange provide for the equitable allocation of reasonable dues, fees, and other charges among its members and other persons using its facilities. The Commission believes that the extension of the Linkage fee pilot until July 31, 2008 will give the Exchange and the Commission further opportunity to evaluate whether such fees are appropriate.

The Commission also finds good cause for approving the proposed rule change prior to the 30th day after the date of publication of the notice of filing thereof in the **Federal Register**. The Commission believes that granting accelerated approval of the proposed rule change will preserve the Exchange's existing pilot program for Linkage fees without interruption as the Exchange and the Commission continue considering the appropriateness of Linkage fees. Therefore, the Commission finds good cause, consistent with section 19(b)(2) of the Exchange Act,<sup>14</sup> to approve the proposed rule change on an accelerated basis.

## V. Conclusion

It is therefore ordered, pursuant to section 19(b)(2) of the Act,<sup>15</sup> that the proposed rule change (SR-Phlx-2007-52), be and it hereby is, approved on an accelerated basis.

For the Commission, by the Division of Market Regulation, pursuant to delegated authority.<sup>16</sup>

Nancy M. Morris,  
Secretary.
