#### Carbazole Violet Pigment 23 from India: Preliminary Results of Antidumping Duty Administrative Review

**AGENCY:** Import Administration, International Trade Administration, Department of Commerce.

**SUMMARY:** In response to a request from an interested party, the Department of Commerce (the Department) is conducting an administrative review of the antidumping duty order on carbazole violet pigment 23 from India. The review covers one manufacturer/exporter, Alpanil Industries. The period of review is December 1, 2005, through November 30, 2006. We have preliminarily determined that Alpanil Industries made sales below normal value. We invite interested parties to comment on these preliminary results. Parties who submit comments in this

review are requested to submit with each argument a statement of each issue and a brief summary of the argument.

**EFFECTIVE DATE:** December 7, 2007.

**FOR FURTHER INFORMATION CONTACT:** Yang Jin Chun or Richard Rimlinger, AD/CVD Operations, Office 5, Import Administration, International Trade Administration, U.S. Department of Commerce, 14<sup>th</sup> Street and Constitution Avenue, NW, Washington, DC 20230; telephone: (202) 482–5760 and (202) 482–4477, respectively.

#### SUPPLEMENTARY INFORMATION:

##### Background

On December 29, 2004, we published in the **Federal Register** the antidumping duty order on carbazole violet pigment 23 (CVP 23) from India. See *Notice of Amended Final Determination of Sales at Less Than Fair Value and Antidumping Duty Order: Carbazole Violet Pigment 23 From India*, 69 FR 77988 (December 29, 2004) (*Antidumping Duty Order*). On December 1, 2006, we published in the **Federal Register** a notice of opportunity to request an administrative review of the antidumping duty order on CVP 23 from India. See *Antidumping or Countervailing Duty Order, Finding, or Suspended Investigation; Opportunity To Request Administrative Review*, 71 FR 69543 (December 1, 2006). On December 29, 2006, pursuant to section 751(a) of the Tariff Act of 1930, as amended (the Act), and 19 CFR 351.213(b), Alpanil Industries (Alpanil) requested an administrative review of the antidumping duty order on CVP 23 from India. On February 2, 2007, in accordance with section 751(a) of the Act and 19 CFR 351.221(c)(1)(i), we published a notice of initiation of administrative review of this order. See *Initiation of Antidumping and Countervailing Duty Administrative Reviews and Request for Revocation in Part*, 72 FR 5005 (February 2, 2007). On August 22, 2007, we extended the due date for the completion of the preliminary results of review from September 4, 2007, to October 19, 2007. See *Carbazole Violet Pigment 23 from India: Extension of Time Limit for Preliminary Results of Antidumping Duty Administrative Review*, 72 FR 46954 (August 22, 2007). On October 16, 2007, we extended the due date for the completion of the preliminary results from October 19, 2007, to December 3, 2007. See *Carbazole Violet Pigment 23 from India: Extension of Time Limit for Preliminary Results of Antidumping Duty Administrative Review*, 72 FR 58639 (October 16, 2007). The administrative review of the order on

CVP 23 from India for Alpanil covers the period December 1, 2005, through November 30, 2006.

#### Scope of the Order

The merchandise subject to this antidumping duty order is carbazole violet pigment 23 (CVP–23) identified as Color Index No. 51319 and Chemical Abstract No. 6358 30 1, with the chemical name of diindolo [3,2–b:3f–,2j–m] triphenodioxazine, 8,18–dichloro–5, 15–diethy–5, 15–dihydro–, and molecular formula of C<sub>34</sub>H<sub>22</sub>C<sub>12</sub>N<sub>4</sub>O<sub>2</sub>.<sup>1</sup> The subject merchandise includes the crude pigment in any form (e.g., dry powder, paste, wet cake) and finished pigment in the form of presscake and dry color. Pigment dispersions in any form (e.g., pigment dispersed in oleoresins, flammable solvents, water) are not included within the scope of the order. The merchandise subject to this antidumping duty order is classifiable under subheading 3204.17.90.40 of the Harmonized Tariff Schedule of the United States (HTSUS). Although the HTSUS subheading is provided for convenience and customs purposes, the written description of the scope of this order is dispositive.

#### United States Sales

U.S. Customs and Border Protection (CBP) data we obtained indicate that CBP suspended the liquidation of only a portion of the U.S. sales of subject merchandise reported by Alpanil. Therefore, pursuant to section 751(a)(2)(A) of the Act, we limited this review to these sales of CVP 23.

#### Export Price

To determine whether sales of CVP 23 from India to the United States were made at prices less than normal value, we compared the U.S. price to the normal value. For the price of sales by Alpanil to the United States, we used export price as defined in section 772(a) of the Act because the subject merchandise was first sold to an unaffiliated purchaser in the United States. Section 772(a) of the Act defines export price as “the price at which the subject merchandise is first sold (or agreed to be sold) before the date of importation by the producer or exporter of the subject merchandise outside of the United States to an unaffiliated purchaser in the United States or to an unaffiliated purchaser for exportation to the United States, as adjusted under
