

# FINAL EXAMINATION

## HOW TO TAKE THE FINAL EXAMINATION

The following final examination is designed to find out how much you have learned about disaster assistance from this course.

While taking the final examination, read each question carefully and select the answer that you think is correct after reading all the possible choices. Complete all of the questions. You may refer to the course materials to help you answer the questions.

When you have answered all of the questions, you may submit your answers online at <http://training.fema.gov>, click on FEMA Independent Study and follow the link to the specific course or you may order an Opscan Answer Sheet by going to <http://training.fema.gov>, click on FEMA Independent Study and go to Opscan Request. Follow the instructions on the answer sheet and mail it to:

FEMA Independent Study Program  
16825 South Seton Avenue  
Emmitsburg, MD. 21727

Your answers will be scored and the results will be issued to you. If you score 75 percent or higher a certificate of completion will be issued to you. If you score less than 75 percent, you will be given another chance to take the test.

The final examination consists of 50 questions and should take no more than 60 minutes to complete. Find a quiet spot where you will not be interrupted during this time.
