SECURITIES AND EXCHANGE COMMISSION

[Release No. 34-55462; File No. SR-NYSE-2007-18]

Self-Regulatory Organizations; New York Stock Exchange LLC; Notice of Filing and Immediate Effectiveness of Proposed Rule Change to Amend the Linkage Order Fee

Pursuant to Section 19(b)(1) of the Securities Exchange Act of 1934 (“Act”)¹ and Rule 19b-4 thereunder,² notice is hereby given that on February 22, 2007, the New York Stock Exchange LLC (“NYSE”) filed with the Securities and Exchange Commission (“Commission”) the proposed rule change as described in Items I, II, and III below, which Items have been prepared substantially by NYSE. NYSE submitted the proposed rule change under Section 19(b)(3)(A) of the Act³ and Rule 19b-4(f)(2) thereunder,⁴ which renders the proposal effective upon filing with the Commission.⁵ The Commission is publishing this notice to solicit comments on the proposed rule change from interested persons.

I. Self-Regulatory Organization’s Statement of the Terms of Substance of the Proposed Rule Change

The Exchange proposes to modify the fee (the “Linkage Order Fee”) it charges its member organizations in connection with orders in equities executed in another market pursuant to the “Plan for the Purpose of Creating and Operating an Intermarket Communications Linkage” (the “Linkage Plan”).⁶ As of

March 5, 2007, the Linkage Order Fee for transactions routed to any other market will be \$0.0025 per share. The Linkage Order Fee will not apply to transactions where a broker on the Exchange trading floor placed the related order.

The text of the proposed rule change is available on the NYSE’s Web site at <http://www.nyse.com>, at NYSE and at the Commission’s Public Reference Room.

II. Self-Regulatory Organization’s Statement of the Purpose of, and Statutory Basis for, the Proposed Rule Change

In its filing with the Commission, NYSE included statements concerning the purpose of and basis for the proposed rule change and discussed any comments it received on the proposed rule change. The text of these statements may be examined at the places specified in Item IV below. NYSE has prepared summaries, set forth in Sections A, B, and C below, of the most significant aspects of such statements.

A. Self-Regulatory Organization’s Statement of the Purpose of, and Statutory Basis for, the Proposed Rule Change

1. Purpose

The Exchange’s Linkage Order fee is currently fixed at \$0.000275 per share. As of March 5, 2007, the Linkage Order Fee for transactions routed to any other market will be \$0.0025 per share. The Linkage Order Fee is the only transaction fee the Exchange charges its customers on transactions routed to other markets. These transactions are not subject to the Exchange’s regular equity transaction fees. The Linkage Order Fee will not apply to transactions where a broker on the Exchange trading floor placed the related order. Instead, if routed to another market, such transactions will be billed at the Exchange’s regular equity transaction fee rate. At the time of the Linkage Order Fee’s adoption,⁷ the Exchange stated that the Linkage Order Fee was intended to permit the Exchange to recover fees billed to Archipelago Securities LLC (“Archipelago Securities”), as the NYSE’s Sponsoring

Member, by other markets for orders executed pursuant to the Linkage Plan. The current Linkage Order Fee is set at the level of the NYSE’s own equity transaction fee. However, as the Exchange is charged much higher fees than the current Linkage Order Fee in connection with most transactions routed to other markets, the current Linkage Order Fee is enabling the Exchange to recoup only a fraction of its routing costs.⁸ The revised Linkage Order Fee is more closely related to the actual transaction fees charged to Archipelago Securities by such other markets and will enable the Exchange to recoup most of the transaction fees for which it is responsible in relation to transactions it routes to other markets through the Linkage.

2. Statutory Basis

The Exchange believes that the proposed rule change is consistent with the provisions of Section 6(b) of the Act,⁹ in general, and Section 6(b)(4) of the Act,¹⁰ in particular, in that it is designed to provide for the equitable allocation of reasonable dues, fees and other charges among the Exchange’s members and other persons using its facilities. The fee is intended to permit the Exchange to recover fees billed to Archipelago Securities, as a Sponsoring Member, by other markets for orders executed pursuant to the Linkage Plan.

B. Self-Regulatory Organization’s Statement on Burden on Competition

NYSE does not believe that the proposed rule change will impose any burden on competition that is not necessary or appropriate in furtherance of the purposes of the Act.

C. Self-Regulatory Organization’s Statement on Comments on the Proposed Rule Change Received From Members, Participants or Others

NYSE has neither solicited nor received comments on the proposed rule change.

III. Date of Effectiveness of the Proposed Rule Change and Timing for Commission Action

The proposed rule change has become effective pursuant to Section 19(b)(3)(A)(ii) of the Act¹¹ and

⁴ 17 CFR 240.19b-4(f)(2).

⁵ NYSE stipulated the implementation date to be March 5, 2007.

⁶ The Linkage Plan was filed with the Commission pursuant to Rule 608 of Regulation NMS under the Act. The purpose of the Linkage Plan is to enable the Plan Participants to act jointly in planning, developing, operating and regulating the NMS Linkage System electronically linking the

Plan Participant Markets to one another, as described in the Linkage Plan. Following approval by the Commission, the Plan became operative on October 1, 2006. The Plan terminates on June 30, 2007; however, participants that wish to extend the term could agree to do so, subject to Commission approval. See Securities Exchange Act Release No. 54551 (Sept. 29, 2006), 71 FR 59148 (Oct. 6, 2006) (approving the Linkage Plan).

⁷ See Securities Exchange Act Release No. 54727 (November 8, 2006); 71 FR 66820 (November 16, 2006) (SR-NYSE-2006-79).

⁸ Archipelago Securities is billed by the destination markets for orders entered on the Exchange by entering firms but routed to other markets for execution. The Exchange assumed responsibility for fees paid by Archipelago Securities to Participant markets in its capacity as the Exchange’s Sponsoring Member. See *id.*

subparagraph (f)(2) of Rule 19b-4 thereunder,¹² because it establishes or changes a due, fee, or other charge imposed by the NYSE. At any time within 60 days of the filing of the proposed rule change, the Commission may summarily abrogate such rule change if it appears to the Commission that such action is necessary or appropriate in the public interest, for the protection of investors, or otherwise in furtherance of the purposes of the Act.

SECURITIES AND EXCHANGE COMMISSION

[Release No. 34-55458; File No. SR-Amex-2007-23]

Self-Regulatory Organizations; American Stock Exchange LLC; Notice of Filing and Immediate Effectiveness of Proposed Rule Change Relating to Transaction Charges for Equities, ETFs, and Nasdaq UTP Securities

March 13, 2007.

Pursuant to Section 19(b)(1) of the Securities Exchange Act of 1934 ("Act")¹ and Rule 19b-4 thereunder,² notice is hereby given that on February 22, 2007, the American Stock Exchange LLC ("Amex" or "Exchange") filed with the Securities and Exchange Commission ("Commission") the proposed rule change as described in Items I, II, and III below, which Items have been substantially prepared by the Exchange. Amex has designated this proposal as one establishing or changing a due, fee, or other charge imposed by a self-regulatory organization pursuant to Section 19(b)(3)(A)(ii) of the Act³ and Rule 19b-4(f)(2) thereunder,⁴ which renders the proposal effective upon filing with the Commission. The Commission is publishing this notice to solicit comments on the proposed rule change from interested persons.

I. Self-Regulatory Organization's Statement of the Terms of Substance of the Proposed Rule Change

The Exchange proposes to revise the equities, Exchange Traded Funds and Trust Issued Receipts ("ETFs"), and Nasdaq UTP Fee Schedules (collectively, the "Fee Schedule") to modify transaction charges in equities, ETFs, and Nasdaq UTP securities.

The text of the proposed rule change is available on the Exchange's Web site (<http://www.amex.com>), at the Exchange's principal office, and at the Commission's Public Reference Room.

II. Self-Regulatory Organization's Statement of the Purpose of, and Statutory Basis for, the Proposed Rule Change

In its filing with the Commission, the Exchange included statements concerning the purpose of, and basis for, the proposed rule change and discussed any comments it received on the proposed rule change. The text of these statements may be examined at the places specified in Item IV below. The Exchange has prepared summaries, set forth in Sections A, B, and C below, of the most significant aspects of such statements.

A. Self-Regulatory Organization's Statement of the Purpose of, and Statutory Basis for, the Proposed Rule Change

1. Purpose

The Exchange recently adopted new transaction charges for its members and member organizations largely relating to the Exchange's new hybrid market trading platform (known as AEMI), the upcoming implementation of Regulation NMS, and changes in the competitive landscape for equities and ETFs.⁵ These new transaction charges became effective January 2, 2007.⁶ Since the adoption of the new transaction fees, the Exchange has been having difficulty with its billing system's ability to obtain the data necessary to calculate an accurate bill and provide data to the clearing firms in a timely manner so they can accurately pass these charges on to their customers. As a result, the Exchange in this filing proposes to revert back to transaction charges for customers⁷ in equities and ETFs in effect prior to January 2, 2007. In

⁵ See Securities Exchange Act Release No. 55195 (January 30, 2007) 72 FR 5469 (February 6, 2007) (Amex File No. 2006-117).

⁶ This discussion originally stated, at various points, that the new transaction charges became effective January 3, 2007; however, the approved date of effectiveness was actually January 2, 2007. E-mail communication between Leah Mesfin, Special Counsel, Division of Market Regulation, Commission, and Claire P. McGrath, Senior Vice President and General Counsel, Amex, on March 2, 2007.

⁷ Customers are defined for purposes of the Equity and ETF Fee Schedules to include all market participants except specialists and registered traders. Therefore, customers (and the fees charged to them) include members' off-floor proprietary accounts, competing market makers and other member and non-member broker-dealers. The Nasdaq UTP Fee Schedule defines customers to include any market participant other than a "competing market maker."
