

§ 890.1009

also be considered as a mitigating circumstance.

(c) *Maximum period of debarment.* There is no limit on the maximum period of a mandatory debarment based on a conviction.

§ 890.1009 Contesting proposed mandatory debarments.

(a) *Contesting the debarment.* Within 30 days after receiving OPM's notice of proposed mandatory debarment, a provider may submit information, documents, and written arguments in opposition to the proposed debarment. OPM's notice shall contain specific information about where and how to submit this material. If a timely contest is not filed, the proposed debarment shall become effective as stated in the notice, without further action by OPM.

(b) *Requesting a reduction of the debarment period.* If OPM proposes a mandatory debarment for a period longer than the 3-year minimum required by 5 U.S.C. 8902a(g)(3), the provider may request a reduction of the debarment period to not less than 3 years, without contesting the debarment itself.

(c) *Personal appearance before the debarring official.* In addition to providing written material, the provider may appear before the debarring official personally or through a representative to present oral arguments in support of his contest. OPM's notice shall contain specific information about arranging an in-person presentation.

§ 890.1010 Debarring official's decision of contest.

(a) *Prior adjudication is dispositive.* Evidence indicating that a provider was formally adjudicated for a violation of any type set forth in 5 U.S.C. 8902a(b) fully satisfies the standard of proof for a mandatory debarment.

(b) *Debarring official's decision.* The debarring official shall issue a written decision, based on the entire administrative record, within 30 days after the record closes to receipt of information. The debarring official may extend this decision period for good cause.

(c) *No further administrative proceedings.* The debarring official's decisions regarding mandatory debarment and the period of debarment are final

and are not subject to further administrative review.

PERMISSIVE DEBARMENTS

§ 890.1011 Bases for permissive debarments.

(a) *Licensure actions.* OPM may debar a health care provider to whom the provisions of 5 U.S.C. 8902a(c)(1) apply. OPM may take this action even if the provider retains current and valid professional licensure in another State(s).

(b) *Ownership or control interests.* OPM may debar a health care provider based on ownership or control of or by a debarred provider, as set forth in 5 U.S.C. 8902a(c)(2) and (3).

(c) *False, deceptive, or wrongful claims practices.* OPM may debar a provider who commits claims-related violations as set forth in 5 U.S.C. 8902a(c)(4) and (5) and 5 U.S.C. 8902a(d)(1) and (2).

(d) *Failure to furnish required information.* OPM may debar a provider who knowingly fails to provide information requested by an FEHBP carrier or OPM, as set forth in 5 U.S.C. 8902a(d)(3).

§ 890.1012 Time limits for OPM to initiate permissive debarments.

(a) *Licensure cases.* If the basis for the proposed debarment is a licensure action, OPM shall send the provider a notice of proposed debarment within 6 years of the effective date of the State licensing authority's revocation, suspension, restriction, or nonrenewal action, or the date on which the provider surrendered his license to the State authority.

(b) *Ownership or control.* If the basis for the proposed debarment is ownership or control of an entity by a sanctioned person, or ownership or control of a sanctioned entity by a person who knew or should have known of the basis for the entity's sanction, OPM shall send a notice of proposed debarment within 6 years of the effective date of the sanction on which the proposed debarment is based.

(c) *False, deceptive, or wrongful claims practices.* If the basis for the proposed debarment involves a claim filed with a FEHBP carrier, OPM shall send the

Office of Personnel Management

§ 890.1016

provider a notice of proposed debarment within 6 years of the date he presented the claim for payment to the covered person's FEHBP carrier.

(d) *Failure to furnish requested information.* If the basis for the proposed debarment involves a provider's failure to furnish information requested by OPM or an FEHBP carrier, OPM shall send the notice of proposed debarment within 6 years of the date on which the carrier or OPM requested the provider to furnish the information in question.

§ 890.1013 Deciding whether to propose a permissive debarment.

(a) *Review factors.* The factors OPM shall consider in deciding whether to propose a provider's debarment under a permissive debarment authority are:

(1) The nature of any claims involved in the basis for the proposed debarment and the circumstances under which they were presented to FEHBP carriers;

(2) The improper conduct involved in the basis for the proposed debarment, and the provider's degree of culpability and history of prior offenses;

(3) The extent to which the provider poses or may pose a risk to the health and safety of FEHBP-covered individuals or to the integrity of FEHBP transactions; and

(4) Other factors specifically relevant to the provider's debarment that shall be considered in the interests of fairness.

(b) *Absence of a factor.* The absence of a factor shall be considered neutral, and shall have no effect on OPM's decision.

(c) *Specialized review in certain cases.* In determining whether to propose debarment under 5 U.S.C. 8902a(c)(4) for providing items or services substantially in excess of the needs of a covered individual or for providing items or services that fail to meet professionally-recognized quality standards, OPM shall obtain the input of trained reviewers, based on written medical protocols developed by physicians. If OPM cannot reach a decision on this basis, it shall consult with a physician in an appropriate specialty area.

§ 890.1014 Notice of proposed permissive debarment.

Notice of a proposed permissive debarment shall contain the information set forth in § 890.1006.

§ 890.1015 Minimum and maximum length of permissive debarments.

(a) *No mandatory minimum or upper limit on length of permissive debarment.* There is neither a mandatory minimum debarment period nor a limitation on the maximum length of a debarment under any permissive debarment authority.

(b) *Debarring official's process in setting period of permissive debarment.* The debarring official shall set the period of each debarment issued under a permissive debarment authority after considering the factors set forth in § 890.1016 and the factors set forth in the applicable section from among §§ 890.1017 through 890.1021.

§ 890.1016 Aggravating and mitigating factors used to determine the length of permissive debarments.

(a) *Aggravating factors.* The presence of aggravating circumstances may support an OPM determination to increase the length of a debarment beyond the nominal periods set forth in §§ 890.1017 through 890.1021. The factors that OPM considers as aggravating are:

(1) Whether the provider's actions underlying the basis for the debarment, or similar acts, had an adverse impact on the physical or mental health or well-being of one or more FEHBP-covered individuals or other persons.

(2) Whether the provider has a documented history of prior criminal wrongdoing; civil violations related to health care items or services; improper conduct; or administrative violations addressed by a Federal or State agency. OPM may consider matters involving violence, patient abuse, drug abuse, or controlled substances convictions or violations to be particularly serious.

(3) Whether the provider's actions underlying the basis for the debarment, or similar acts, resulted in financial loss to the FEHBP, FEHBP-covered individuals, or other persons. In determining whether, or to what extent, a financial loss occurred, OPM shall not
