

§ 982.504

24 CFR Ch. IX (4-1-03 Edition)

(f) *Payment standard protection for PHAs that meet deconcentration objectives.* Paragraph (f) of this section applies only to a PHA with jurisdiction in an FMR area where the FMR had previously been set at the 50th percentile rent to provide a broad range of housing opportunities throughout a metropolitan area, pursuant to § 888.113(c), but is now set at the 40th percentile rent.

(1) Such a PHA may obtain HUD Field Office approval of a payment standard amount based on the 50th percentile rent if the PHA scored the maximum number of points on the deconcentration bonus indicator in § 985.3(h) in the prior year, or in two of the last three years.

(2) HUD approval of payment standard amounts based on the 50th percentile rent shall be for all unit sizes in the FMR area that had previously been set at the 50th percentile rent pursuant to § 888.113(c). A PHA may opt to establish a payment standard amount based on the 50th percentile rent for one or more unit sizes in all or a designated part of the PHA jurisdiction within the FMR area.

(g) *HUD review of PHA payment standard schedules.* (1) HUD will monitor rent burdens of families assisted in a PHA's voucher program. HUD will review the PHA's payment standard for a particular unit size if HUD finds that 40 percent or more of such families occupying units of that unit size currently pay more than 30 percent of adjusted monthly income as the family share. Such determination may be based on the most recent examinations of family income.

(2) After such review, HUD may, at its discretion, require the PHA to modify payment standard amounts for any unit size on the PHA payment standard schedule. HUD may require the PHA to establish an increased payment standard amount within the basic range.

§ 982.504 Voucher tenancy: Payment standard for family in restructured subsidized multifamily project.

(a) This section applies to tenant-based assistance under the voucher program if all the following conditions are applicable:

(1) Such tenant-based voucher assistance is provided to a family pursuant to § 401.421 of this title when HUD has approved a restructuring plan, and the participating administrative entity has approved the use of tenant-based assistance to provide continued assistance for such families. Such tenant-based voucher assistance is provided for a family previously receiving project-based assistance in an eligible project (as defined in § 401.2 of this title) at the time when the project-based assistance terminates.

(2) The family chooses to remain in the restructured project with tenant-based assistance under the program and leases a unit that does not exceed the family unit size;

(3) The lease for such assisted tenancy commences during the first year after the project-based assistance terminates.

(b) The initial payment standard for the family under such initial lease is the sum of the reasonable rent to owner for the unit plus the utility allowance for tenant-paid utilities. (Determination of such initial payment standard for the family is not subject to paragraphs (c)(1) and (c)(2) of § 982.505. Except for determination of the initial payment standard as specifically provided in paragraph (b) of this section, the payment standard and housing assistance payment for the family during the HAP contract term shall be determined in accordance with § 982.505.)

[64 FR 26649, May 14, 1999]

§ 982.505 Voucher tenancy: How to calculate housing assistance payment.

(a) *Use of payment standard.* A payment standard is used to calculate the monthly housing assistance payment for a family. The "payment standard" is the maximum monthly subsidy payment.
